This is why you remain in the best website to look the incredible books to have.

The Adventures of Bucky the Squirrel HarperCollins

Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

Who is Centipede Dragon? He is a part-centipede, and part-dragon, a magical creature who lives in an acorn tree in a village nestled by lake and mountains. Centipede Dragon is kind-hearted, who observes and admires the camaraderie demonstrated by the villagers. He is thus inspired to help them with the power of his magical scales. Soon, he becomes ill due in part to his benevolence, and two children who live in the village discover him and come to his aid. Will they succeed in saving him? Will they discover his secret?

The Unique Technique Xist Publishing

From a leading journalist and activist comes a brave, beautifully wrought memoir. When Darnell Moore was fourteen, three boys from his neighborhood tried to set him on fire. They cornered him while he was walking home from school, harassed him because they thought he was gay, and poured a jug of gasoline on him. He escaped, but just barely. It wasn't the last time he would face death. Three decades later, Moore is an award-winning writer, a leading Black Lives Matter activist, and an advocate for justice and liberation. In No Ashes in the Fire, he shares the journey taken by that scared, bullied teenager who not only survived, but found his calling. Moore's transcendence over the myriad forces of repression that faced him is a testament to the grace and care of the people who loved him, and to his hometown, Camden, NJ, scarred and ignored but brimming with life. Moore reminds us that liberation is possible if we commit ourselves to fighting for it, and if we dream and create futures where those who survive on society's edges can thrive. No Ashes in the Fire is a story of beauty and hope-and an honest reckoning with family, with place, and with what it means to be free. Lambda Literary Award - Gay Memoir/Biography (Winner - 2019)A New York Times Notable Book of the Year (2018)

A humorous description of motherhood.

Mommy and Daddy Love You Exactly As You Are! Createspace Independent Publishing Platform

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

It Was All a Dream National Geographic Books

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

And I Thought... Createspace Independent Publishing Platform

A NATIONAL BESTSELLER This beloved memoir "is an extraordinary, honest, nuanced and compassionate look at adoption, race in America and

families in general" (Jasmine Guillory, Code Switch, NPR) What does it means to lose your roots—within your culture, within your family—and what happens when you find them? Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family in a sheltered Oregon town. From childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hope of giving her a better life, that forever feeling slightly out of place was her fate as a transracial adoptee. But as Nicole grew up—facing prejudice her adoptive family couldn’t see, finding her identity as an Asian American and as a writer, becoming ever more curious about where she came from—she wondered if the story she’d been told was the whole truth. With warmth, candor, and startling insight, Nicole Chung tells of her search for the people who gave her up, which coincided with the birth of her own child. All You Can Ever Know is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secrets—vital reading for anyone who has ever struggled to figure out where they belong.

[The Daily Show \(The Book\)](#) The Experiment

Raising My Rainbow is Lori Duron’s frank, heartfelt, and brutally funny account of her and her family's adventures of distress and happiness raising a gender-creative son. Whereas her older son, Chase, is a Lego-loving, sports-playing boy's boy, Lori's younger son, C.J., would much rather twirl around in a pink sparkly tutu, with a Disney Princess in each hand while singing Lady Gaga's "Paparazzi." C.J. is gender variant or gender nonconforming, whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff—really likes girl stuff. He floats on the gender-variation spectrum from super-macho-masculine on the left all the way to super-girly-feminine on the right. He's not all pink and not all blue. He's a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori's uniquely witty and warm voice and launched by her incredibly popular blog of the same name, Raising My Rainbow is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate, possibly gay, totally fabulous son. Now with Extra Libris material, including a reader’s guide and bonus content

Growing from the Roots Crown
