NEW YORK TIMES

BESTSELLER The complete,
uncensored history of the award-
winning The Daily Show with
Jon Stewart, as told by its
correspondents, writers, and
host. For almost seventeen
years, The Daily Show with Jon
Stewart brilliantly redefined the
borders between television
comedy, political satire, and
opinionated news coverage. It
launched the careers of some of
today's most significant
comedians, highlighted the
hypocrisies of the powerful, and
garnered 23 Emmys. Now the
show's behind-the-scenes gags,
controversies, and camaraderie
will be chronicled by the players
themselves, from legendary host
Jon Stewart to the star cast
members and writers-including

Samantha Bee, Stephen Colbert,
John Oliver, and Steve Carell -
plus some of The Daily Show's
most prominent guests and
adversaries: John and Cindy
McCain, Glenn Beck, Tucker
Carlson, and many more. This
oral history takes the reader
behind the curtain for all the
show's highlights, from its
origins as Comedy Central's
underdog late-night program to
Trevor Noah's succession, rising
from a scrappy jester in the
24-hour political news cycle to
become part of the beating heart
of politics-a trusted source for
not only comedy but also
commentary, with a reputation
for calling bullshit and an ability
to effect real change in the
world. Through years of incisive
election coverage, passionate
debates with President Obama
and Hillary Clinton, feuds with
Bill O'Reilly and Fox, and
provocative takes on Wall Street
and racism, The Daily Show has
been a cultural touchstone.
Now, for the first time, the

people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Raising My Rainbow Real Mother

Venturing through life with his stuffed animal companion and seeing the world from beneath the rim of his favorite red cap, Spencer wonders at the amazing sights of New York City when tipping his cap to broaden his view, in a sumptuously illustrated story that features the stuffed animal hiding in each spread. Simultaneous.

The Mermaid's Apprentice

Createspace Independent Publishing Platform

Melanie is a newly minted mermaid on her way to visit her Uncle Arlo, hoping to help

him with his marine biology research and earn her tail.

Along with Melanie on the trip is her dad and her friend Ri'Anne, who Melanie hopes will follow her in her footsteps to become a mermaid like her.

To teach another to be a mermaid takes magic and lots of water! Melanie's plan is first to learn what it takes to be a mermaid, so she can teach Ri'Anne, all while doing research dives for her uncle.

However, Ri'Anne is a fairy at heart, and while she wants to please Melanie, trouble can result when fairy meets water.

Will Ri'Anne choose to be a mermaid and fulfill her lifelong dream, or follow her heart and become a fairy and fly free? Can Melanie still fulfill her quest for a mermaid tail?

The roots of healthy development are nurtured when children's

needs are met and they are allowed to experience life for themselves with guidance, not control. This is the foundation of the non-judgmental, emotionally connected style of parenting presented in "Growing From the Roots: A Practical Guide to the Art of Parenting". This book provides many down-to-earth parenting tools to help promote connections between parents and children as well as valuable examples that model how to communicate with children to support their growth into confident and compassionate adults. This is a comprehensive look at parenting; from helping our children gain self-esteem to how we can get through the day without feeling we are

going to explode! The author's own experiences as a mother, a child and family therapist and a preschool teacher contribute to a rich understanding of what parents and children experience, providing relevant and invaluable tools and support for parents of young children.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of

crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and

believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Gender Born, Gender Made

Bold Type Books

The first series of Adventures in SportsLand focuses on bullies. This cartoon series consists of eight children's picture books, Baseball, Basketball, Football, Golf, Hockey, Soccer, Tennis, and Volleyball, plus two in Spanish, which are fun, attractive, and educational. The goal of these picture sports books is to teach good behavior, as well as family and moral values to youngsters through sports while using imagination and having fun. This football story features Punt. He and his fellow teammate, QB, give their best and have fun playing football in SportsLand. Their opponents are the bully Hoo-Doos, who are

misguided by Coach Trouble. They don't play fair and always have a dirty trick up their sleeves in order to win. Find out if the teammates can handle Trouble and all the Hoo-Doos' pranks in their big football game of the season. Growing from the Roots Black, Brown and Beige Publishing Homecomings usually involve burgers, fries and apple pies but that's not on the menu for Cassandra and Silver. They're launched into assassination attempts, bar brawls, and relationship drama just in the first 24 hours. Can they protect everyone they love from all comers before it explodes in their face? Find out in VECTOR, Book Three of the Weaver Series. Facts about the Margay National Geographic

James and Olivia have been happily married for many years. A harmless kink here or there spices up their love life, but

they can't imagine the kinks they'll encounter while sneaking to the beach for a long, hot weekend. Anso has ruled the wereseals for one short month. He hardly needs his authority questioned because he's going crazy from mating heat. Then Anso's best friend and male lover Ty offers to help find the human mate his genes require. To Ty's amazement, Anso's quest leads him to claim not one partner but a pair. Ty would object, except he too finds the human couple hopelessly attractive . . . "The most captivating and titillating story I have read in some time . . . Flaming hot . . . even under water"-Tara's Blog
Crazy Tuesdays Catapult
If you're looking for a laugh-out-loud, feel-good

book that will engage you from start to end, look no further than here. Author Sue Stearns's debut work is a fast and funny read that is sure to put a cheek-to-cheek grin on your face and reawaken your inner child. Crazy Tuesdays is a highly entertaining collection of short stories, anecdotes, and insights plucked from Stearns's personal life experiences as a mother of two rebellious toddlers, Minka and Cooper. The stories focus on her kids and explain what a typical Tuesday is like in their home, although what's typical for them is not typical for most. Tuesday is the day of the week when the entire Stearns family gets together, lets loose, and does the messiest, wildest activity or craft they can think of. From taking mud baths outside to flailing paint on household walls covered with sheet metal, the Stearns family has had

some pretty wild and crazy Tuesdays. As mother Stearns shares how each new Tuesday brings a new adventure for her clan, she peppers her pieces with a lighthearted humor and spirited enthusiasm which, on its face, situates Crazy Tuesdays as a must-read for those seeking first and foremost to be amused. Also a college graduate and military wife, let's not forget that Stearns is a mom-and as a general rule, moms have a funny way of being able to sneak a lesson or two into even the most obvious forms of fun. What Stearns accomplishes in Crazy Tuesdays is no exception to this rule. As she delivers spleen-splitting stories, she also imparts a meaningful message: Parenting can be exhausting, but even in the midst of all the chaos and confusion, there is always something to laugh about. You just have to find it. And if Stearns was able to find

it, there's hope for you, too. And I Thought... Brandt Tobler
Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and colorizing the characters. Have fun and use your imagination.

Getting money,paying bills,finding your prince charming, finding your happiness it looked so easy when you were young.You thought you had it all figured out.

Little did you know life throws you curve balls.

And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world. Centipede Dragon Createspace Independent Publishing Platform A NATIONAL BESTSELLER This beloved memoir "is an extraordinary, honest, nuanced and compassionate look at adoption, race in America and families in general" (Jasmine Guillory, Code Switch, NPR) What does it mean to lose your roots—within your culture, within your family—and what happens when you find them? Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family

in a sheltered Oregon town. From childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hope of giving her a better life, that forever feeling slightly out of place was her fate as a transracial adoptee. But as Nicole grew up—facing prejudice her adoptive family couldn't see, finding her identity as an Asian American and as a writer, becoming ever more curious about where she came from—she wondered if the story she'd been told was the whole truth. With warmth, candor, and startling insight, Nicole Chung tells of her search for the people who gave her up, which coincided with the birth of her own

child. All You Can Ever Know is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secrets—vital reading for anyone who has ever struggled to figure out where they belong.
