Rampant Killer Unicorns 1 Diana

Real unicorns are venomous, man-eating monsters with huge fangs and razor-sharp horns. And they can only be killed by virgin descendants of Alexander the Great. Fortunately, unicorns have been extinct for a hundred and fifty years. Or not. Astrid Llewelyn has always

scoffed at her eccentric mother's stories about killer unicorns.

Killer Unicorns | Diana Peterfreund

"Rampant is the perfect book for teen readers who are sick of vampires. Meet Astrid, a decedent of some butt-kicking unicorn hunters. Who knew unicorns could be bloodthirsty human killers? Diana Peterfreund takes you on a wild ride filled with action, history, and even a little romance! Check it out."

Rampant | Diana Peterfreund

So, Rampant is about blood-thirsty killer unicorns. The concept seems amusing by far, and one of the hardest things about reading the book is taking the whole idea seriously. Once you get past the humor of this though, the author can actually portray it as quite believable.
