Now in this beautifully illustrated, four-colour graphic novel adaptation, *The Kite Runner* is given a vibrant new life which is sure to compel a new generation of readers.

The Girl Who Could See Hatherleigh Press

The definitive history of World War II from the African American perspective, by award-winning historian and civil rights expert Winner of the 2023 Anisfield-Wolf Book Award in Nonfiction A New York Times Notable Book of 2022 A 2022 Book of the Year from TIME, Publishers Weekly, Booklist, and more More than one million Black soldiers served in World War II. Black troops were at Normandy, Iwo Jima, and the Battle of the Bulge, serving in segregated units while waging a dual battle against inequality in the very country for which they were laying down their lives. The stories of these Black veterans have long been ignored, cast aside in favor of the myth of the "Good War" fought by the "Greatest Generation." And yet without their sacrifices, the United States could not have won the war. Half American is World War II history as you've likely never read it before. In these pages are stories of Black military heroes and civil rights icons such as Benjamin O. Davis Jr., the leader of the legendary Tuskegee Airmen, who fought to open the Air Force to Black pilots; Thurgood Marshall, the chief lawyer for the NAACP, who investigated and publicized violence against Black troops and veterans; poet Langston Hughes, who worked as a war correspondent for the Black press; Ella Baker, the civil rights leader who advocated on the home front for Black soldiers, veterans, and their families; and James G. Thompson, the twenty-six-year-old whose letter to a newspaper laying bare the hypocrisy of fighting against fascism abroad when racism still reigned at home set in motion the Double Victory campaign. Their bravery and patriotism in the face of unfathomable racism is both inspiring and galvanizing. An essential and meticulously researched retelling of the war, Half American honors the men and women who dared to fight not just for democracy abroad but for their dreams of a freer and more equal America.

On Heroes, Hero-worship, and the Heroic in History Astra Publishing House

"Hello, my name is Thomas Thwaites, and I have made a toaster." So begins *The Toaster Project*, the author's nine-month-long journey from his local appliance store to remote mines in the UK to his mother's backyard, where he creates a crude foundry. Along the way, he learns that an ordinary toaster is made up of 404 separate parts, that the best way to smelt metal at home is by using a method found in a fifteenth-century treatise, and that plastic is almost impossible to make from scratch. In the end, Thwaites's homemade toaster—a haunting and strangely beautiful object—cost 250 times more than the toaster he bought at the store and involved close to two thousand miles of travel to some of Britain's remotest locations. *The Toaster Project* may seem foolish, even insane. Yet, Thwaites's quixotic tale, told with self-deprecating wit, helps us reflect on the costs and perils of our cheap consumer culture, and in so doing reveals much about the organization of the modern world.

The Tsar of Love and Techno Random House

From the New York Times bestselling author of *A Constellation of Vital Phenomena*—dazzling, poignant, and lyrical interwoven stories about family, sacrifice, the legacy of war, and the redemptive power of art. This stunning, exquisitely written collection introduces a cast of remarkable characters whose lives intersect in ways both life-affirming and heartbreaking. A 1930s Soviet censor painstakingly corrects offending photographs, deep underneath Leningrad, bewitched by the image of a disgraced prima ballerina. A chorus of women recount their stories and those of their grandmothers, former gulag prisoners who settled their Siberian mining town. Two pairs of brothers share a fierce, protective love. Young men across the former USSR face violence at home and in the military. And great sacrifices are made in the name of an oil landscape unremarkable except for the almost incomprehensibly peaceful past it depicts. In stunning prose, with rich character portraits and a sense of history reverberating into the present, *The Tsar of Love and Techno* is a captivating work from one of our greatest new talents.

A Thousand Splendid Suns Hachette UK

Heartwarming and Compassionate Stories of Animal Love "This book is a loving tribute to all creatures, great and small." ?Tippi Hedren Filled with fascinating and heartwarming stories, this book details the power of animal love. THE #1 NEW YORK TIMES BESTSELLER A Times, Sunday Times and Telegraph Book of the Year

'A triumph ... a masterclass in the bottling of its subject's seductive essence. His presence in this book is so strong that it's hard to believe he has really left the building' MOJO 'Handsomely presented, visually sumptuous' THE TIMES

From Prince himself comes the brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time-featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death. Prince was a musical genius, one of the most talented, beloved, accomplished, popular, and acclaimed musicians in pop history. But he wasn't only a musician—he was also a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of his early records to the mythical landscape of *Purple Rain* to the psychedelia of *Paisley Park*. But his greatest creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, the greatest pop star of his era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is composed of the memoir he was writing before his tragic death, pages that brings us into Prince's childhood world through his own lyrical prose. The second part takes us into Prince's early years as a musician, before his first album released, through a scrapbook of Prince's writing and photos. The third section shows us Prince's evolution through candid images that take us up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for *Purple Rain*—the final stage in Prince's self-creation, as he retells the autobiography we've seen in the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his short but profound collaboration with Prince in his final days—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to each of the book's images. This work is not just a tribute to Prince, but an original and energizing literary work, full of Prince's ideas and vision, his voice and image, his undying gift to the world.

'Prince's voice comes through loud and clear; his personality, joie de vivre and single-mindedness jumping off the page throughout.' CLASSIC POP MAGAZINE 'The Beautiful Ones is for everyone. It's not a read, but an experience, an immersion inside the mind of a musical genius. You are steeped in Prince's images, his words, his essence... The book can be a starting point for a Prince fascination, or a continuation of long-standing admiration. Either way, it will deepen the connection of any reader with the musical icon.' USA TODAY 'An affirmation of Prince's Blackness and humanity... Prince writes about his childhood with clarity and poetic flair, effortlessly combining humorous anecdotes with deep self-reflection and musical analysis... Prince is one of us - he just worked to manifest dreams that took him from the North Side of Minneapolis to the Super Bowl.' HUFFPOST 'A compelling curiosity that finds its author orbiting around a few touchingly intimate encounters with his sphinx-like subject ... with passages, lyric sheets and photographs from the Purple One himself' TELEGRAPH, Books of the Year 'Both a pleasure and a surprise ... Prince took the project very seriously, and it shows in the work he delivered. ... It shines an intimate and revealing light on the least-known period of his life' VARIETY 'The Beautiful Ones is a book in pieces, fragments of the ground-breaking autobiography Prince had planned. Pieced together after his death in 2016, it collects his handwritten childhood memoirs, superb personal photographs and his chosen co-writer Dan Piepenbring's vivid account of their brief collaboration. Yet remarkably despite the central absence, it still

catches something of Prince between the gaps - a trace of perfume, a glance to camera, a first kiss' SUNDAY TIMES, Book of the Year 'This is a beautiful book and a must-have for Prince completists' DAILY EXPRESS 'A ghostly memoir of a pop legend' THE i

The perfect blend of riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end." - Lisa Gardner, New York Times bestselling author of Right Behind You This is the story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts.

The Giver of Stars: Reese's Book Club A&C Black

"The uncanny beauty of Van Booy's prose, and his ability to knife straight to the depths of a character's heart, fill a reader with wonder." - San Francisco Chronicle Award-winning author Simon Van Booy tells a harrowing and enchanting story of how one man's act of mercy during World War II changed the lives of strangers, and how they each discover the astonishing truth of their connection. The characters in Van Booy's *The Illusion of Separateness* discover at their darkest moments of fear and isolation that they are not alone, that they were never alone, that every human being is a link in a chain we cannot see. This gripping novel—inspired by true events—tells the interwoven stories of a deformed German infantryman; a lonely British film director; a young, blind museum curator; two Jewish American newlyweds separated by war; and a caretaker at a retirement home for actors in Santa Monica. They move through the same world but fail to perceive their connections until, through seemingly random acts of selflessness, a veil is lifted to reveal the vital parts they have played in one another's lives, and the illusion of their separateness.

The Forgotten National Geographic Books

Soren Kierkegaard was an influential Danish philosophical and religious author. *The Present Moment* is one of his most celebrated pieces.

The Present Moment Harper Collins

"A brave and moving novel [that] has a tender empathy with the natural world." -Hermione Lee, *The New York Review of Books* From the two-time Booker Prize finalist author of *Days Without End* comes a dazzling companion novel about memory and identity, set in Tennessee in the aftermath of the Civil War Winona Cole, an orphaned child of the Lakota Indians, finds herself growing up in an unconventional household on a farm in west Tennessee. Raised by her adoptive parents John Cole and Thomas McNulty, whose story Barry told in his acclaimed previous novel *Days Without End*, she forges a life for herself beyond the violence and dispossession of her past. Tennessee is a state still riven by the bitter legacy of the Civil War, and the fragile harmony of her family is soon threatened by a further traumatic event, one which Winona struggles to confront, let alone understand. Exquisitely written, *A Thousand Moons* is a stirring, poignant story of love and redemption, of one woman's journey and her determination to write her own future.

Outstanding Books for the College Bound Wyatt North Publishing, LLC

In the aftermath of the Iranian revolution, rare-gem dealer Isaac Amin is arrested, wrongly accused of being a spy. Terrified by his disappearance, his family must reconcile a new world of cruelty and chaos with the collapse of everything they have known. As Isaac navigates the tedium and terrors of prison, forging tenuous trusts, his wife feverishly searches for him,

suspecting, all the while, that their once-trusted housekeeper has turned on them and is now acting as an informer. And as his daughter, in a childlike attempt to stop the wave of baseless arrests, engages in illicit activities, his son, sent to New York before the rise of the Ayatollahs, struggles to find happiness even as he realizes that his family may soon be forced to embark on a journey of incalculable danger. A page-turning literary debut, *The Septembers of Shiraz* simmers with questions of identity, alienation, and love, not simply for a spouse or a child, but for all the intangible sights and smells of the place we call home.

Random Acts of Kindness by Animals Penguin

The great Russian 20th-century novel from the Sunday Times bestselling author of *Stalingrad*. *Life and Fate* is an epic tale of a country told through the fate of a single family, the Shaposhnikovs. As the battle of Stalingrad looms, Grossman's characters must work out their destinies in a world torn by ideological tyranny and war. Completed in 1960 and then confiscated by the KGB, this sweeping panorama of Soviet Society remained unpublished until it was smuggled into the West in 1980, where it was hailed as a masterpiece. 'A literary genius. His *Life and Fate* is rated by many as the finest Russian novel of the 20th Century' Mail on Sunday VINTAGE CLASSICS RUSSIAN SERIES - sumptuous editions of the greatest books to come out of Russia during the most tumultuous period in its history.

Kyle's Smile Createspace Independent Publishing Platform

A husband and wife travel the globe to see all 18 penguin species in this "celebration of these delightful birds and a call for their conversation" that offers "joy, love, and hope for penguins and the world" (Dr. Jane Goodall). Every Penguin in the World tracks author-photographer Charles Bergman's forays around the southern hemisphere—from the Galapagos to South Africa to the Antarctic—in his quest to see all 18 species of penguins in the world. The sections of the book are organized around themes of adventure, science and conservation, and pilgrimage—in which stories of each penguin species will be touched upon. This endearing and thought-provoking book beautifully combines narrative and photography to capture the plight and the experience of penguins worldwide. The author and his wife developed a passion after seeing their first penguin species and have since spent years traveling far and wide to see each variety of penguin in its natural habitat. Both a love letter and a call to action, *Every Penguin in the World* is a joyful ode to adventure, conservation, and the beautiful penguins that capture our hearts. "It's SO good! [...] Chuck Bergman's writing, photography, and vulnerability is so kick-ass!" -Brené Brown, New York Times bestselling author of *Dare to Lead*

The Volunteer Hogarth

With clarity and compassion, Dr. Love helps the 40 million women entering menopause sort through all the choices they face. She explains how to cope with short-term symptoms (hot flashes, night sweats, mood swings, etc.) and addresses such long-term concerns as osteoporosis, heart disease, breast cancer, and endometrial cancer. Dr. Love also discusses: lifestyle changes (diet, exercise, stress management), alternatives (including herbs and homeopathic remedies), other medications, and the pros and cons of hormone therapy. A new Introduction discusses the controversies raised by the hardcover publication.

The Soldier's Wife Ballantine Books

A Novella All her life Fern has been told she is blind to reality-but, what if she is the only one who can truly see? Fern Johnson is crazy. At least, that's what the doctors have claimed since her childhood. Now nineteen, and one step away from a psych ward, Fern struggles to survive in bustling Los Angeles. Desperate to appear normal, she represses the young man flickering at the edge of her awareness—a blond warrior only she can see. Tristan was Fern's childhood imaginary hero, saving her from monsters under her bed and outside her walls. As she grew up and his secret world continued to bleed into hers, however, it only caused catastrophe. But, when the city is rocked by the unexplainable, Fern is forced to consider the possibility that this young man is not a hallucination after all—and that the creature who decimated his world may be coming for hers.

The Beautiful Ones Century

A guidebook to making life meaningful by cultivating compassion, embracing adversity, and training the mind—from one of the foremost living Buddhist nuns. Freeing ourselves from our habitual emotional patterns starts with taming the mind. Why is this so important? Because a wild mind tends to hurt rather than heal. Taming the mind helps us uncover our true nature and connect with those around us from a grounded place of self-awareness. Through caring for others you can walk the Buddhist path of bodhisattvas, becoming a spiritual hero of compassion. Based on the classic fourteenth-century mind training text of Tibetan Buddhism called the Thirty-Seven Practices of a Bodhisattva, this guidebook shares pithy advice on how to act as bodhisattvas in our everyday lives, enabling us to possess compassion in an authentic way. Jetsunma Tenzin Palmo, an exemplary spiritual teacher who spent over a dozen years meditating in the Himalayas and one of the first Buddhist nuns to be ordained in the West, shares her reflections on this famous teaching and how to live a life of mindfulness and selflessness.

Garvey in the Dark Shambhala Publications

Based on real family events, "Random Acts of Heroic Love" is the internationally bestselling debut novel that paints a dramatic portrait of two apparently unconnected epic love stories.

Dr. Susan Love's Hormone Book Mango Media Inc.

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

For Love of Country Schocken

#1 NEW YORK TIMES BESTSELLER | A REESE'S BOOK CLUB PICK "A great narrative about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of the forthcoming *Someone Else's Shoes*, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.
