questions. 1. The Norway rat belongs to the family _____. List the other members of this group of rodents. 2. What disease did rats carry that was responsible to killing almost half of the population of

Dissection of Rat (With Diagram) | Zoology

Place the rat on its back, on a dissection pad, and stretch out and pin the four limbs to the pad. Start the dissection by removing the skin. Using forceps to lift the skin, carefully cut away with the scissors, take care not to cut too deep. Start at the top of the chest and cut towards the tail end, avoiding the genital area.
