Ever After High: The Secret Diary of Apple White Little, Brown Books for Young Readers

I have lived the life of a princess since the day I was born. But it did not bring me what I wanted. I am still trapped. My beloved Ned speaks of love, freedom, a future. To walk with him in the forest, our raven soaring above us, is my only joy. But my father plans that I shall be betrothed to the King and I am afraid. Queens of England have a habit of dying. I have no desire to take the throne, no wish to find myself in the Tower of London. Wife, Queen - I fear it will bring me to my knees. "Not many of us will have given Lady Jane Grey much more than a passing thought, and not many history textbooks give her much more than a passing line. This nine-day queen, the 16-year-old victim of plotting and intrigue during a particularly bloody and turbulent period of Tudor history, is easily overlooked, sandwiched between the brief and sorry kingship of Edward VI, and the heady, bloody reign of Mary I. Like any good storyteller, Pauline Francis asks the simple questions: what could her life have possibly been like? How did she thing and feel, love and hate? She answers them in full with a visceral, mesmerising debut novel that brings this little-regarded historical character to life. The story of Jane's brief and tragic life is told in her own voice and that of her admirer, Ned. The fate of these star-crossed lovers – he a Catholic from a disgraced Catholic family and she an extreme Protestant with Royal blood – is relayed through a series of thrilling, climactic tableaux in haunting, lyrical style." - Elaine Williams, TES Magazine Winner Highland Children's Book Award 2008. Shortlisted Leeds Book Awards 2008. Shortlisted Leicester Book of the Year Award 2008
