Rawlinsons Australian Construction Cost Guide

Construction Cost Guide Our construction cost guide sets out typical building costs prepared from our experience and cost database. The cost ranges are

representative of standard specifications and should be used as a guidance only. These costs exclude FF&E, siteworks, VAT, professional fees, future inflation and other developer costs etc.

::Rawlinsons Publishing::

Rawlinsons Australian Construction Handbook is the largest library and leading reference book within the Construction industry in Australia. Awards winning development projects by West-Ville Constructions have been featured in the 2018 Cost Guide together with other

reputable awards winning companies.

Rawlinsons Australian Construction Cost Guide

This is the traditional means of embarking on any building project – providing you an independent design and cost opinion. Only by these means will you have the confidence to remain in control of your future building ' s design and construction.
