When she finds herself in the middle of a scandal, she takes a friend's advice and escapes to a small town in northern New Hampshire. When Aaron Wright learns a

member of the Sherbrooke family has rented out a cottage at his family's campground, he's less than pleased. People like Juliette live and play in a world far removed from his, something he learned firsthand seven years ago. Despite his attraction to her and his meddling sister, he keeps his distance. Everything changes when an ice storm leaves Juliette in the dark, and Aaron opens his house to her. Or it does until reality comes knocking, and Aaron must decide if he can live in Juliette's world.

Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life.

When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am
