Tales of the Bounty Hunters: Star Wars Legends Random House Worlds

NEW YORK TIMES BESTSELLER • To make his biggest score, Han's ready to take even bigger risks. But even he can't do this job solo. Han Solo should be basking in his moment of glory. After all, the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance. But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. There's a bounty on Han's head—and if he can't cough up the credits, he'll surely pay with his hide. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange for Han's less-than-legal help with a riskier-than-usual caper. The payoff will be more than enough for Han to settle up with Jabba—and ensure he never has to haggle with the Hutts again. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. It sounds like a job for miracle workers . . . or madmen. So Han assembles a gallery of rogues who are a little of both—including his indispensable sidekick Chewbacca and the cunning Lando Calrissian. If anyone can dodge, deceive, and defeat heavily armed thugs, killer droids, and Imperial agents alike—and pull off the heist of the century—it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price?

New Dawn Legends of the First Empire

Never before has the incendiary mix of action, politics, and intrigue that has become Timothy Zahn's trademark, been

more evident that in this new Star Wars epic. On the heels of the stunning events chronicled in *Star Wars: A New Hope*, the newly minted heroes of the Rebellion—fledgling Jedi Luke Skywalker, smuggler turned reluctant freedom-fighter Han Solo, and Princess Leia Organa, a bold leader with a world to avenge—must face the harsh realities of the cataclysmic conflict into which they have so bravely plunged. From this point forward, legends will grow, treachery will abound, and lives will be irrevocably altered, in the long, hard fight to counter the fist of tyranny and restore hope to a galaxy too long in darkness. The destruction of the Death Star by the Rebel Alliance was a decisive blow against the Empire, but Palpatine and his monstrous enforcer, Darth Vader, are no less of a threat. The brutal extermination of Alderaan not only demonstrated the magnitude of their murderous power, but served as a chilling testament to their resolve to crush the Rebel uprising. Standing against them, Skywalker, Solo, and the Princess remain uncertain opponents. Luke is gifted and brave, but unschooled in the power he possesses. Han has doubts about waging someone else's war—and his contentiousness is one more burden for Leia to bear as she struggles to help keep the Rebellion alive. The three have been sent to mediate a dispute between Rebel Alliance factions in Shelsha Sector—agitating matters by forcing Han to deal not only with pirates, but with his more dreaded enemy, politics. At the same time, Mara Jade—all of eighteen and years away from her fateful meeting with Luke—is serving her evil master, Palpatine, well in her role as the Emperor's Hand: tracking suspected treachery in the Empire to what may be high places—while trying to stay out of Darth Vader's way. But the Rebels will prove to be only one of the Empire's concerns. For Imperial Stormtrooper Daric LaRone, his faith in the Empire shaken by the wanton destruction of Alderaan, will commit a sudden and violent act of defiance, and take four other enforcers with him, in a desperate bid to elude their masters' wrath. Each of these fateful actions, whether sanctioned, secret, or scandalous, will expose brutality and corruption, spur upheavals destined to shake the Empire to its core, and shape momentous events yet to come.
