Heir to the Jedi: Star Wars Del Rey

As ruthless apprentice to Darth Vader, Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. He served without question, killed without remorse, and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse, never suspecting that he was just a tool in the schemes of his masters—until it was too late to escape their lethal betrayal. Juno mourned Starkiller as dead—but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time they will both have to make a stand. The prize is freedom. The punishment for failing will be eternal enslavement to the dark side of the Force. A brand-new novel tying in to the huge Star Wars video game, and written by Sean Williams who also penned the number 1 New York Times bestselling first instalment, this is a thrilling sequel.

With the entire human fleet pinned in the port by their own damaged warship, annihilation seems certain until Vespa aims her airblade at the doomed vessel. She intends to retrieve

WISPER—a pilot assistance artificial intelligence she created—but its safety protocols, designed by Vespa's father, eject her from the cockpit before she has the chance. Vespa must bear the consequences of her actions while the government of her home planet, Prime, struggles to comprehend the implications of the strike. Relations with their longtime trade partners are further challenged by the arrival of a military task force from the Protectorate, human colonists who had left Prime centuries ago and who bring a far different perspective on the Orkan's intentions. As the prospect of war grows, Vespa enlists into an elite military unit relying on Protectorate expertise to train spaceblade pilots. But she can't defeat the invaders alone—success will take teamwork. With Vespa uncertain who she can trust and the lives of her family and friends at stake, she must sort allies from enemies and repair her relationship with her father before it is too late. When the Orkans launch an even more vicious attack to seize the Kavil moon, another fateful choice may be inevitable. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for *Lockdown* "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that *Death Troopers* and *Red Harvest* took us." —*Jedi News* "Fans of the dark side should rejoice. *Lockdown* delivers a can't-put-this-down tale of scum and villainy." —*Club Jade* "[*Lockdown* is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [*Darth*] *Plagueis*'s complexity with sheer fun. . . . Five out of five metal bikinis." —*Roqoo Depot* "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and

excitement I love from *Star Wars* in a way that doesn't betray either genre. It's really quite masterful." —*Big Shiny Robot* "Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read." —*Coffee with Kenobi* "The novel makes *The Clone Wars* better. It also illuminates *The Phantom Menace*. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way." —*Knights' Archive* "By the fiftieth page, I was hooked. . . . *Lockdown* is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more *Star Wars* books from Schreiber." —*Seattle Geekly*
