Harassment by the Empire and a shortage of vital supplies are hindering completion of a new secret base on the ice planet Hoth. So when Mid Rim merchants offer much-needed materials for sale, Princess Leia Organa and Han Solo lead an Alliance delegation to negotiate a deal. But when treachery forces the rebel ship to flee into territory controlled by pirates, Leia makes a shocking discovery: the fierce marauders come from Leia's homeworld of Alderaan, recently destroyed by the Death Star. These refugees have turned to pillaging and plundering to survive—and they are in debt to a pirate armada, which will gladly ransom the princess to the vengeful Empire . . . if they find out her true identity.
