Hans Florine embodies the genius of "and"—collaborative and competitive, fast and safe, audacious and disciplined, visionary and quantitative. The themes that run through Florine's 101 ascents of Yosemite's most iconic route can benefit people who will never climb a rock, indeed anyone inspired by the idea of a passionate, lifelong quest of any type. —Jim Collins, author of Good to Great Hans Florine is a big-wall climbing legend in his own time. He holds the

speed record on the Nose route of El Capitan, a 3,000-foot granite cliff in Yosemite Valley that 's considered the Everest of the rock-climbing world. Ascending the Nose takes most climbers anywhere from 12 to 96 hours. Florine, along with climbing partner Alex Honnold, does it in an astounding 2.5 hours. But Florine ' s story is not one of super-human athletic prowess; it ' s one of persistence and dogged determination. In 30 years of climbing, he's ascended the Nose a mind-blowing, death-defying 100 times, more than anyone else ever has, and most likely ever will. In *On the Nose*, Florine describes the most dangerous, pivotal, and inspirational of those climbs, providing a rare look inside the adrenaline-charged world of competitive climbing in Yosemite Valley. He tells of his very first attempt on the Nose, which ended in failure after 14 hours, his friendships (and rivalries) with climbing ' s most colorful personalities, and his battle with Dean Potter to secure the definitive speed record on the Nose—an endeavor that ' s been called the wildest competition known to man. Perhaps most interestingly, Florine attempts to answer the question why. Why would anyone undertake one of the greatest adventure epics on earth 100 times? His answers provide unique insights on how to live a satisfying life, how to achieve big goals, and how an otherwise ordinary guy can become a rock star.

The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world ' s most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form ' s most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

This book consists largely of previously untranslated work. Kuzmin was a master of many genres: poet, dramatist, writer of narrative prose, and influential literary manifestos. All these facets of Kuzmin's creativity are represented in this volume, which traces his development from a decadent to a key figure of Russia's artistic underground during the repression of the Soviet period. A cycle of poems, *Thrall* (1919), published here for the first time in English, provides the book with its dominant theme. *Thrall* is a leitmotif of Kuzmin's early love poetry, where it signifies a lover's impassioned submission. Kuzmin the playwright is represented here by his only full-length drama, *The Death of Nero* (1929); Kuzmin the prose writer by two short stories that exemplify contrasting periods of his evolution. The

collection also contains two literary manifestos that played pivotal roles in the development of Russian letters. -- Bucknell University Press.
