A repair manual comes  
with comprehensive  
details regarding  
technical data,  
diagrams, a complete  
list of car parts and  
pictures. Even the  
most novice car  
mechanic can easily  
follow the step-by-  
step guides which are  
made simple by the  
illustrations and  
drawings.

Unfortunately, the RCZ 's  
ergonomics aren ' t as

impressive as the quality. The  
dashboard slants away from  
the driver at the top, making  
some of the higher switches  
hard to reach, while the  
centre console is a mess of  
small, poorly-marked buttons  
and the infotainment system  
is dated and complex.
