*Reading the Letters of Henri Nouwen - OBLATE*

When we have found our own uniqueness in the love of God and have been able to affirm that indeed we are lovable since it is God's love that dwells in us, then we can reach out to others in whom we discover a new and unique manifestation of the same love and enter into an intimate communion with them.

Throughout, Nouwen emphasizes that the more we understand (and not simply deny) our inner struggles, the more fully we will be able to embrace a prayerful and genuine life that is also open to others' needs. Reaching Out is a rich book to be read, reread, pondered, and shared with others. "It does not offers answers or solutions," Nouwen cautions, "but is written in the conviction that the quest for an authentic Christian spirituality is worth the effort and the pain, since in the midst of

**I Just Might: book review: "Reaching Out" by Henri JM Nouwen**

Reaching Out is one of Nouwen's finest works and may very well be one of the best treatments of Christian spirituality written in the twentieth century. In Reaching Out Nouwen describes the spiritual life as a series of movements. Thus, in order to proceed towards maturity in Christ he suggests that we need to move from: loneliness to solitude, hostility to hospitality and from illusion to prayer.

Nouwin's book Reaching Out came into my life after 40 some years in a legalistic cultish

church and about 3 years in a more grace-filled church where I made some major moral mistakes. Nouwen's perceptive and astute words described my experience so well. "...we constantly find ourselves clinging to people, books, events, experiences, projects and plans, secretly hoping that this time it will be different.

Three polarities lie at the heart of our spiritual life says Henri Nouwen. In his book, *Reaching Out*, he describes them as: an inner movement from loneliness to solitude, an outward movement from hostility to hospitality, and an upward movement from illusion to prayer (20). These movements each potentially involve progress—hence, the term, movement—but for Nouwen this progress is tentative and subject to lifelong tension (39).
