When Wayland North
brings rain to a region
that's been dry for over
ten years, he's promised
anything he'd like as a
reward. He chooses the

village elder's daughter, sixteen-year-old Sydelle Mirabel, who is a skilled weaver and has an unusual knack for repairing his magical cloaks. Though Sydelle has dreamt of escaping her home, she's hurt that her parents relinquish her so freely and finds herself awed and afraid of the slightly ragtag wizard who is unlike any of the men of magic in the tales she's heard. Still, she is drawn to this mysterious man who is fiercely protective

of her and so reluctant to share his own past. The pair rushes toward the capital, intent to stop an imminent war, pursued by Reuel Dorwan (a dark wizard who has taken a keen interest in Sydelle) and plagued by unusually wild weather. But the sudden earthquakes and freak snowstorms may not be a coincidence. As Sydelle discovers North's dark secret and the reason for his interest in her and learns to master her own mysterious power, it

becomes increasingly clear that the fate of the kingdom rests in her fingertips. She will either be a savior, weaving together the frayed bonds between Saldorra and Auster, or the disastrous force that destroys both kingdoms forever. From the Hardcover edition.

Françoise Gilot's candid memoir remains the most revealing portrait of Picasso written, and gives a fascinating insight into the intense and creative life shared by two modern artists. Françoise Gilot was in her early twenties when she met the sixty-one-year-old Pablo Picasso in 1943. Brought up in a well-to-do upper-middle-class family, who had sent her to Cambridge and the Sorbonne and hoped that she would go into law, the young woman defied their

wishes and set her sights on being an artist. Her introduction to Picasso led to a friendship, a love affair, and a relationship of ten years, during which Gilot gave birth to Picasso's two children, Paloma and Claude. Gilot was one of Picasso's muses; she was also very much her own woman, determined to make herself into the remarkable painter she did indeed become. *Life with Picasso*, written with Carlton Lake and published in 1961, is

about Picasso the artist and Picasso the man. We hear him talking about painting and sculpture, his life, his career, as well as other artists, both contemporaries and old masters. We glimpse Picasso in his many and volatile moods, dismissing his work, exultant over his work, entertaining his various superstitions, being an anxious father. But *Life with Picasso* is not only a portrait of a great artist at the height of his fame; it is also a picture of a talented

young woman of exacting intelligence at the outset of her own notable career.
