A woman recounts coming of age in the shadow of her father's mental illness in this "candid, unsettling portrait of madness and enduring love" (Kirkus). Deborah A. Lott grew up in a Los Angeles suburb in the 1950s, under the sway of her outrageously eccentric father. A lay rabbi who enjoyed dressing up like Little Lord Fauntleroy, he taught her how to have fun. But he also taught her to fear germs, other children, and contamination from the world at large. Deborah was so deeply bonded to her father and his peculiar worldview that when he plunged from neurotic to full-blown psychotic, she nearly followed him. Sanity is not always a choice, but for sixteen-year-old Deborah, lines had to be drawn between reality and her own "overactive imagination." She saved herself through an unconventional reading of Moby Dick, a deeply awkward sexual awakening, and entry into the world of political activism as a volunteer in Robert F. Kennedy's Presidential campaign. After attending Kennedy's last stop at the Ambassador Hotel the night of his assassination, Deborah would come to a new reckoning with loss. Ultimately, she would find her own path, and her own way of turning grief into love.

Tell your story and connect with the college of your dreams for admission and financial aid "If everyone wrote essays like this, admissions officers would have to take every student's essay seriously." --Steve LeMenager, founder of Edvise Princeton and former director of admission at Princeton University "With patience, contagious confidence, and plenty of real-life examples, Carol illuminates a process that can help anyone discover and articulate those stories that will help them stand out in their own way, and in their own words." --Shelley

Krause, college counselor, Rutgers Preparatory School, and curator of the College Lists Wiki "Because the college essay offers applicants their lone opportunity to demonstrate what truly matters to them, and to share the qualities that make them unique, the stakes could not be any higher. With meticulous detail, Barash delivers a foolproof plan for helping college applicants strike essay gold." --Chad Troutwine, cofounder and CEO of Veritas Prep To write out loud is to write and speak in a way that makes people pay attention. Write Out Loud teaches the Story To College program--with its proven storytelling-based approach, the Moments Method. This program has helped more than 8,000 students from high schools in the United States and around the world create effective, authentic application essays to win admission and financial aid at their top college choices. Write Out Loud enables anyone to masterfully integrate past experiences and future ambitions into successful application essays and interviews. The guided exercises help college essay writers get past the stress and confusion of writing about themselves. Write Out Loud reveals how to find unique topics for compelling essays, shows how to make the transition from a spoken story to a written essay, and provides examples of successful essays. The book also walks students through the Common Application, the online college application form used by more than 500 colleges and universities in the US and abroad. Inside, students will find: The 12 tools of the Moments Method Specific guidance for completing the Common Application Charts and checklists to organize essays and supplements Insight from admissions officers on what

“ A remarkably entertaining and thought-provoking look at the human voice and all of its myriad functions and sounds . . . Wonderful ” (Library Journal, starred review). From Farinelli, the eighteenth-century castrato who brought down opera houses with his high C, to the recording of Johnny B. Goode affixed to the Voyager spacecraft, *Let Me Clear My Throat* dissects the whys and hows of popular voices, making them hum with significance and emotion. There are murders of punk rock crows, impressionists, and rebel yells; Howard Dean ’ s “ BYAH! ” and Marlon Brando ’ s “ Stellaaaaa! ” and a stock film yawp that has made cameos in movies from *A Star is Born* to *Spaceballs*. The voice is thought ’ s incarnating instrument and Elena Passarello ’ s essays are a riotous deconstruction of the ways the sounds we make both express and shape who we are—the annotated soundtrack of us giving voice to ourselves. “ Standout pieces include a biography of the most famous scream in Hollywood history; a breakdown of the relationship between song and birdsong; and an analysis of the sounds of disgust. Akin to: A dinner party at which David Sedaris, Mary Roach and Marlon Brando are trying to out-monologue one another. ” —Philadelphia Weekly
“ The beauty of Ellen Passarello ’ s voice is that it ’ s so confidently its own . . . I began randomly with her essay wondering what the space aliens will make of ‘ Johnny B. Goode ’ on the Voyager gold record and couldn ’ t stop after that. ” —John Jeremiah Sullivan, author of *Pulphhead*

Supreme Commander Lord Tanaros was once human. But he chose darkness and immortality when his wife betrayed him with his king. He killed them both, and fled the realms of Men and now cares nothing for their fates. A thousand years passed. His only allegiance is to his master, the dark god Satoris, who gave the gift of Life to the race of Men. Satoris, who rebelled against his elder brother God Haomane who had demanded that gift be taken away. Their fight cracked the very world in two; the name of Satoris became the word for evil throughout all the races, while the legend of Tanaros is the seminal tale of treachery. And yet not all tales told are true. A final prophecy has begun to unfold, and the races are uniting in their quest to rid the world of Satoris. The elder gods and goddesses, stranded on the other side of the world, send dreams to spur all to destroy Satoris and Tanaros, but those loyal to their god know a different side of the story and try to defend their citadel of Darkhaven, where Satoris sits in sorrow, controlling his own dominion, seeking neither victory nor vengeance. Satoris's followers capture the beautiful Elvish princess Cerelinde, and without her the Allies cannot fulfill the prophecy. All who support Satoris clamor for her death-but Satoris refuses to act like the monster that he is made out to be, for he recognizes in Cerelinde a spark of the love that he once bore for his fellow gods. She is a great danger to Satoris--and a greater danger for Tanaros and all that he holds dear. For she reminds him that not all women need be false... and that though he may be immune to death, his heart is still very much mortal. Strong storytelling with evocative, compelling, and unforgettable characters, *Godslayer*

is the thrilling conclusion to the events begun in *Banewrecker*, a haunting tale of love and loss that ultimately asks the question: If all that is considered good considers you evil, are you? The trouble started when Howard Sykes came home from school and found the "goon" sitting in the kitchen. He said he'd been sent by Archer. But who was Archer? It had to do with the 2,000 words that Howard's author father had failed to deliver. It soon became clear not only that Archer wanted those words, but that his wizard siblings, Hathaway, Dillian, Shine, Torquil, Erskine, and Venturus, would also go to any lengths to get them. Although each wizard ruled a section of the town, he or she was a prisoner in it. Each suspected that one of them held the secret behind the words, and that secret was the key to their freedom. Which one of them was it? The Sykes family become pawns in the wizards' fight to win their freedom, wrest control from one another, and fan out to rule the world. Diana Wynne Jones skillfully guides the reader through a riveting, twisty plot, with satisfying surprises at every amazing turn. An exciting science fiction adventure where, happily, nothing is what it first seems to be.

Rise Above is a detailed description of one man's journey of conquering adversity. You will read how the writer survived a near-fatal motor vehicle accident, which resulted in three skull fractures, a bruised brain, an eight-day coma and having to relearn how to walk and talk - made all the more challenging by a lingering speech impediment acquired in childhood. Stuttering is an awful burden for a person to carry throughout life. Children can be cruel. The writer's utmost fear, speaking in public, would one day be an ally and allow him to present programs extensively throughout the United States. This book is not about surviving adversity. It's about thriving beyond adversity. Greg

Little, a nationally renowned speaker and motivator, has presented to diverse groups, including health care, business and professional organizations, and educational institutions. His programs emphasize active involvement by participants. Whether teaching professionals to cope with stress, bond as a productive group or realize their hidden strengths, his seminars and keynote addresses are hard hitting and memorable. During one of Greg's presentations, I was laughing so hard that tears were literally streaming down my face. - Dr. Ed Kesgen; Sylva, NC
