In I Can Say No, Jenny Simmons teaches children the power of the word "no." Whether it's saying no to bullying or someone invading their personal space or simply to playing with a friend when they need some alone time, children learn that they can use their voice to stand up for what is good in the world, and good for themselves. I learned a little word, And even though it's small, When I use it with authority, I'm the strongest of them all! NO That's right. I can say NO. I can say no to a movie I don't like. I can say no if I'm not into riding bikes. I can say no if I want to be alone, or I'm feeling kind of tired and would rather stay at home. As parents and educators, we often teach children to use the word "no" when they are in danger or when someone is trying to harm them. But "no" is powerful in other areas of life, as well. Learning to say "no" without feeling guilty or needing to explain themselves gives children the power to protect their boundaries, energy, convictions, and time. Saying "no" also allows them to create space for saying "yes" to the things that matter most. By teaching children how to use this small but mighty word, they will be able to face life with confidence, independence, and a positive sense of self-worth!

You became, irrevocably, a reader. Noted essayist and editor Alberto Manguel moves from this essential moment to explore the six-thousand-year-old conversation between words and that hero without whom the book would be a lifeless object: the reader. In 1998, Louis de Bernieres—acclaimed author of *Corelli's Mandolin*—came upon a bronze statue in a town on Australia's northwestern coast and was immediately compelled to know more about “Red Dog.” He did not have to go far: everyone for hundreds of miles in every direction seemed to have a story about Red Dog. He was a Red Cloud Kelpie, a breed of sheepdog known

for its energy and cleverness. But Red Dog was a kind of ultra-Kelpie, energetic and clever enough for an entire breed in himself. Dubbed a “ professional traveler ” rather than a stray, Red Dog established his own transportation system, hitchhiking between far-flung towns and female dogs in cars whose engine noises he ’ d memorized and whose drivers he ’ d charmed. The call of the wild was matched by the call of the supper dish; Red Dog ’ s appetite was as legendary as his exploits. Everyone wanted to adopt him (one group of workers made him a member of their union), but Red Dog would be adopted by—or, more precisely, he would adopt—only one man: a bus driver whose love life quickly began to suffer and who never quite recovered from Red Dog ’ s relentlessly affectionate presence. Independent, clever, sly, stubborn, courageous and foolhardy, impatient with boredom and the boring, Red Dog endeared himself to (almost) everyone who crossed his path. These funny, surprising, and touching stories of his life are certain to endear him to every reader.
