"Hollywood, 1938. As soon as she learns that MGM is adapting her late husband's masterpiece for the screen, seventy-seven-year-old Maud Gage Baum sets about trying to finagle her way onto the set. Nineteen years after Frank's passing, Maud is the only person who can help the producers stay true to the spirit of the book ... But the moment she hears Judy Garland rehearsing the first notes of 'Over the Rainbow,' Maud recognizes the yearning that defined her own life story: from her youth as a suffragette's daughter to her coming of age as one of the first women in the Ivy League, from her blossoming romance with Frank to the hardscrabble prairie years that inspired *The Wonderful Wizard of Oz*"

"The novel that foreshadowed Donald Trump's authoritarian appeal." —Salon It Can't Happen Here is the only one of Sinclair Lewis's later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called "a message to thinking Americans" by the *Springfield Republican* when it was published in 1935, *It Can't Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today's news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

When Dorothy was a young girl, she loved books, and she loved people, so she decided that she would become a librarian. Dorothy's dearest wish is to be a librarian in a fine brick library just like the one she visited when she was small. But her new home in North Carolina has valleys and streams but no libraries, so Miss Dorothy and her neighbors decide to start a bookmobile. Instead of people coming to a fine brick library, Miss Dorothy can now bring the books to them—at school, on the farm, even once in the middle of a river! *Miss Dorothy and Her Bookmobile* is an inspiring story about the love of books, the power of perseverance, and how a librarian can change people's lives.

*Bastard Out of Carolina*, nominated for the 1992 National Book Award for fiction, introduced

Dorothy Allison as one of the most passionate and gifted writers of her generation. Now, in *Two or Three Things I Know for Sure*, she takes a probing look at her family's history to give us a lyrical, complex memoir that explores how the gossip of one generation can become legends for the next. Illustrated with photographs from the author's personal collection, *Two or Three Things I Know for Sure* tells the story of the Gibson women -- sisters, cousins, daughters, and aunts -- and the men who loved them, often abused them, and, nonetheless, shared their destinies. With luminous clarity, Allison explores how desire surprises and what power feels like to a young girl as she confronts abuse. As always, Dorothy Allison is provocative, confrontational, and brutally honest. *Two or Three Things I Know for Sure*, steeped in the hard-won wisdom of experience, expresses the strength of her unique vision with beauty and eloquence.

What happens when we push past the surface and allow real, grounded, mutually challenging, and edifying friendships to develop? We need only look at the little-known friendship between eminent Christian thinkers Dorothy L. Sayers and C. S. Lewis to find out. Born out of a fan letter that celebrated mystery novelist Sayers wrote to Lewis as his star was just beginning to rise, this friendship between a married woman and a longtime bachelor developed over years of correspondence as the two discovered their mutual admiration of each other's writing, thinking, and faith. In a time when many Christians now aren't even sure that a man and a woman can be "just friends" and remain faithful, Gina Dalfonzo's engaging treatment of the relationship between two of Christianity's most important modern thinkers and writers will resonate deeply with anyone who longs for authentic, soul-stirring friendships that challenge them to grow intellectually and spiritually. Fans of Lewis and Sayers will find here a fascinating addition to their collections.

Dr. King's best-selling account of the civil rights movement in Birmingham during the spring and summer of 1963 On April 16, 1963, as the violent events of the Birmingham campaign unfolded in the city's streets, Dr. Martin Luther King, Jr., composed a letter from his prison cell in response to local religious leaders' criticism of the campaign. The resulting piece of extraordinary protest writing, "Letter from Birmingham Jail," was widely circulated and published in numerous periodicals. After the conclusion of the campaign and the March on Washington for Jobs and Freedom in 1963, King further developed the ideas introduced in the letter in *Why We Can't Wait*, which tells the story of African American activism in the spring and summer of 1963. During this time, Birmingham, Alabama, was perhaps the most racially segregated city in the United States, but the campaign launched by King, Fred Shuttlesworth, and others demonstrated to the world the power of nonviolent direct action. Often applauded as King's most incisive and eloquent book, *Why We Can't Wait* recounts the Birmingham campaign in vivid detail, while underscoring why 1963 was such a crucial year for the civil rights movement. Disappointed by the slow pace of school desegregation and civil rights legislation, King observed that by 1963—during which the country celebrated the one-hundredth anniversary of the Emancipation Proclamation—Asia and Africa were "moving with jetlike speed toward gaining political independence but we still creep at a horse-and-buggy pace." King examines the history of the civil rights struggle, noting tasks that future generations must accomplish to bring about full equality, and asserts that African Americans have already waited over three centuries for civil rights and that it is time to be proactive: "For years now, I have heard the word 'Wait!' It rings in the ear of every Negro with piercing familiarity. This 'Wait' has almost always meant 'Never.' We must come to see, with one of our distinguished jurists, that 'justice too long delayed is justice denied.'"

"If you enjoyed Jan Karon's *Mitford* series, I think you'll love the *Dearest Dorothy* series" (Christian Fiction Reviewer). Before long, her gift for shaking things up may come in handy . . . This is the first in the delightful small-town series starring "the plucky 80-something grandma who's a demon at the wheel" (Publishers Weekly).

Starting middle school brings all the usual challenges — until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she's not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn't know he's gay, even as he fends off bullies at school. Then there's Charlie: three years old, a "surprise" baby, the center of everyone's world. He's devoted to Fern, but he's annoying, too, always getting his way, always dirty, always commanding attention. If it wasn't for Ran, Fern's calm and positive best friend, there'd be nowhere to turn. Ran's mantra,

---

“ All will be well, ” is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it ' s true. But then tragedy strikes- and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.
