This packet includes 30 reading comprehension passages with three questions per passage. Each passage is presented twice. - In the first set, the passages are provided in a standard format. I have students circle the correct answer and also write it on the line. - In the second set, a color-coded crayon is provided in each answer box. Students use that color to underline the evidence in the text that supports their answer & also answer in a standard format. - Supports the following Kindergarten and First Grade standards: - CCSS ELA-Literacy.RL.1.1 - Ask and answer questions about key details in a text. - CCSS ELA-Literacy.RL.K.1 -With prompting and support, ask and answer questions about key details in a text. - If multiple choice questions are new to your kids, I recommend

putting simple questions in a multiple choice format during calendar time or other daily routines. I like to give each student a strip of cardstock with A, B and C written on it and have them practice answering multiple choice questions by clipping a clothespin on the correct answer. This is an easy, fun way for kids to develop confidence answering multiple choice questions. - Once kids are comfortable with the multiple choice format, I like to discuss the first few passages with groups and demonstrate how to answer the simple text-based multiple choice questions. Some of the passages are similar to each other so you can use one passage to teach and the other to check each student's understanding during independent work. - I am finding that, with guided Reading comprehension practice, kids quickly develop the skills they need to be successful reading these passages and independently answering the multiple choice questions. These passages are based on common sight words. I also have kids find and highlight selected sight words. Supports the following standards: - CCSS ELA-Literacy.RF.1.3g - Recognize and read grade-appropriate irregularly spelled words (for beginning of year words). - CCSS ELA-Literacy.RF.K.3c - Read common high-frequency words by sight. Bud, Not Buddy Simon and Schuster
Since reading is a strategic skill, students must have a strategy for comprehending the reading text and dealing with reading tasks especially answering reading comprehension questions (Roe et al., 2001). A questioning strategy utilized in developing reading comprehension skills is what Taffy Raphael refers to as Question-Answer Relationships or QAR (Nuttall, 2005). With QAR, teachers can help students become strategic while dealing with a text and questions simultaneously. The QAR strategy explicitly shows the relationship between questions and answers, and how to search for information in a text according to different types of questions. Furthermore, with the practice of Question Answer Relationships (QAR) strategy and its related reading strategies, students can become more familiar with different types of

reading questions and consciously select the related reading strategies appropriately in order to answer each type of questions correctly and understand the whole text as much as possible. This book therefore tried to investigate how reading instruction using Question Answer Relationships (QAR) and its related reading strategies affected reading comprehension ability.
