Here you can find activities to practise your reading skills. Reading will help you to improve your understanding of the language and build your vocabulary. The self-study lessons in this section are written and organised according to the levels of the Common European Framework of Reference for languages (CEFR).

Reading Comprehension study Guide - VIU  
Reading guides can assist with developing students' comprehension. They help students navigate reading material, especially difficult chapters or nonfiction reading. Students respond to a teacher-created written guide of prompts as they read an assigned text. Reading Guides help students to comprehend the main points of the reading and understand the organizational structure of a text.
