The 'Book Source Address Book', where you can fill in addresses of book stores, is a nice idea, but has only room for 6 addresses - also not very practical. But overall, a great Reading Journal which is worth it for the book lists alone - recommendable for every book lover. Would make a great gift.

Reading Journals for Book Lovers | Mind Joggle

If you love reading and want to keep track so you know what you have read, or planning on reading, creating a book journal is the perfect place to start! Is there a series of books you are looking at reading and want to track which ones you have read? This is the perfect opportunity to do just that.

Reading Journal: For Book Lovers by Potter Style

Also, it doesn't really fit well with the rest of the Reading Journal (which is about your opinions about read books, and suggestions for book to read) - the journal could have done without it. The 'Book Source Address Book', where you can fill in addresses of book stores, is a nice idea, but has only room for 6 addresses - also not very practical. But overall, a great Reading Journal which is worth it for the book lists alone - recommendable for every book lover. Would make a great gift.
