I have the 14th edition now, but have used this edition, as well. Good for freshman comp in that it provides a variety of expository and poetic examples, as well as solid WRITING advice. The most valuable thing about this book is the back section on Revising. It does follow the Modes (as in students ...

Laurence Behrens has focused for more than 35 years on interdisciplinary approaches to the teaching of undergraduate writing. His *Writing and Reading Across the Curriculum*, co-authored with Leonard J. Rosen, originally published in 1982 and now in its 14th Edition, was the first widely used cross-curricular textbook in freshman composition.

READINGS FOR WRITERS is the best-selling rhetorical reader for freshman composition courses, continuing a tradition of providing comprehensive coverage of the writing and

research process -- as well as appealing readings. With more than 70 selections from a broad range of topics and genres, this rich resource sparks excitement in any writer.
