Deviant Behavior Routledge

An inter-disciplinary survey of crime and violence in America with entry emphasis focused on the late-20th century reaching into the 21st century.

Social Problems Charles C Thomas Publisher

What makes behavior deviant, and who gets to decide what deviance is? Deviant Behavior seeks to answer these questions and more. This compelling new text covers the social forces that shape deviance, the motivations and consequences of deviant behaviors, and how our definition of deviance changes over time. Authors John A. Humphrey and Frank Schmalleger discuss a wide range of deviant behaviors—from criminal acts to extreme forms of everyday behavior—and provide students the necessary foundation to understand the impact of globalization on traditional and emerging forms of deviance. Readers will explore deviance in the modern world using a systematic application of social and criminological theories to a range of deviant behaviors to help them better understand themselves, others, and society.

A Pauline Church and its Neighbours SAGE Publications, Incorporated

SOCIOLOGY OF DEVIANT BEHAVIOR has been the market-leading deviance/criminology textbook for more than 40 years by combining timely research findings and updated data with solid sociological analysis. Designed to appeal to today's students, the fifteenth edition examines such relevant and timely topics as justified deviance (e.g., terrorism); corporate crime and mistakes, such as the General Motors ignition problem; the changing moral landscape regarding gay marriage and marijuana use; the importance of social media in facilitating deviant acts; political crime, including electoral crime; and cultural and social reactions to deviance. Learning aids-such as chapter outlines, bolded key terms, discussion questions, and a glossary-support students' study and review. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Deviance and Crime in Colleges and Universities Springer Publishing Company

This book addresses an important issue in Thessalonian research that has hitherto received inadequate scholarly attention: the conflict relations between Christians and non-Christians in Thessalonica. By engaging in careful exegesis of pertinent texts and by drawing upon ancient literary parallels and the social-scientific study of deviance and conflict, Still is able to spell out in some detail the specifics and the dynamics of Paul's and his Thessalonian converts' clash with outsiders. In this study, he shows that the conflict (thlipsis) in Thessalonica was rather complex-having varied origins, multiple causes, and mixed effects. As a result, this work not only provides a nuanced analysis of the conflict in Thessalonica, but also demonstrates that the Thessalonian correspondence can be best read when insider and outsider interaction is kept clearly in view.

What Goes on in the Halls of Ivy Cambridge University Press

This book provides potential answers to reduce deviant behavior and crime in colleges and universities. Claiming that the Virginia Tech and Northern Illinois shootings were aberrations, the authors have nevertheless uncovered offenses that presage major criminal incidents, such as students' engaging in cheating, plagiarism, binge drinking, date rape, assault, and harassment. To arrive at solutions, the authors collaborated to develop

an interdisciplinary comprehensive typology of deviant behavior and crime in academia. Areas of discussion include fraternity and sorority deviance beyond the usu.

Deviant Behavior Oxford University Press, USA

The sixth edition features many new articles that reflect current trends.

Taylor & Francis

Most primary deviation is of transitory significance and involves a fairly insignificant punishment. Extreme Deviance focuses on behavior, beliefs, and traits that are so serious as to generate, in the words of Edwin Lemert, secondary deviation. Editors Erich Goode and D. Angus Vail tunnel to the core of the subject by emphasizing a set of central lessons, offering edgy, pedagogically dramatic illustrations of principles that are contained in no other collection of readings. The book is complete with vocabularies of motive, deviance neutralization, the acquisition of a deviant identity, and the formation of a deviance subculture.

Deviant Behavior Readings in Deviant Behavior

Using the framework of interest group conflict, this text combines a balanced, comprehensive overview of the field of deviance with first-hand expertise in the workings of the criminal justice system. Deviant Behavior, Sixth Edition, surveys a wide range of topics, from explanations regarding crime and criminal behavior, measurement of crime, violent crime and organizational deviance, to sexual behavior, mental health, and substance abuse. This new edition continues its tradition of applying time-tested, sociological theory to developing social concepts and emerging issues.

Statuses, Institutions, and Interactions New York : Oxford University Press

Deviant Behavior challenges students' own biases and preconceptions. This best-selling text offers comprehensive coverage of all aspects of deviance and is noted for its blend of style and substance. Deviant Behavior covers a wide spectrum of theories of deviance, and analyzes numerous specific deviant behaviors. The author uses an abundance of research data, including many that debunk our common assumptions about deviant behavior. Students are exposed to the full range of theories and data about deviance, and are challenged to think about and evaluate their own biases and preconceptions. Learning Goals Upon completing this book, readers will be able to: Analyze numerous types of deviant behavior. Challenge their own biases and preconceptions on deviant behavior. Make connections between behavioral theories and concrete deviances. Develop new ways of seeing and understanding chapter material through critical thinking questions. Essentials for Getting the Edge Cengage Learning

Punishment in different forms is examined, including corporal and economic punishment. The Relativity of Deviance Taylor & Francis

First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

A Text-Reader in the Sociology of Deviance Pearson College Division

The topic of social deviance is inherently intriguing. People in general, and college students in particular, find the topic of deviant behavior fascinating. This can be explained, at least in part, by a combination of the subject matter itself, our own past deviant behaviors, and our willingness and desire to evaluate and comment on the behaviors of others. While the topic of deviant behavior seems straightforward at the surface, the study of social deviance reveals how complicated it really is. Although Social Deviance utilizes a textbook-style approach in its coverage of deviant behavior, this comprehensive, straightforward, and student-friendly book maintains student interest because of the author's use of real life phenomena and current examples. Each chapter includes chapter objectives, an introductory story, a glossary of key terms, discussion questions, and boxed material. The boxed materials include "A Closer Look" box that zooms in on topics that warrant deeper explanation; and a "Connecting Social Deviance and Popular Culture" box that shows how contemporary forms of popular culture illustrate deviant behavior.

Strategic Intervention in Organizations Pine Forge Press

This concise, elegantly written paperback volume on the essential elements of sociology is perfect as the sole textbook for a brief introductory course or as a core text to be supplemented with other readings.

A Sociological Perspective Bloomsbury Publishing

Goode provides a comprehensive, balanced exploration of the many different forms of deviant behavior as well as the major sociological perspectives and theories of deviance.

Resources in Education Prometheus Books

The new edition of this popular reader presents the cutting edge of research on corporate and governmental deviance in the U.S. today. Seventy-five percent of the readings are new and include the work of such major figures as James S. Coleman, Lawrence W. Sherman, Edwin H. Sutherland, Marshall B. Clinard, Gilbert Geis, Brent Fisse, and John Braithwaite. Using such instructive cases as the heavy electrical equipment antitrust cases, the Tuskegee Syphilis Experiment, the campaign against marketing infant formula in the Third World, and the Ford Motor Company's Pinto, this text helps students to understand how organizations, not just individuals, commit deviant acts.

A Brief Introduction Pine Forge Press

Print+CourseSmart

Research in Education Jones & Bartlett Publishers

Criminology Explains Police Violence offers a concise and targeted overview of criminological theory applied to the phenomenon of police violence. In this engaging and accessible book, Philip M. Stinson, Sr. highlights the similarities and differences among criminological theories, and provides linkages across explanatory levels and across time and geography to explain police violence. This book is appropriate as a resource in criminology, policing, and criminal justice special topic courses, as well as a variety of violence and police courses such as policing, policing administration, police-community relations, police misconduct, and violence in society. Stinson uses examples from his own research to explore police violence, acknowledging the difficulty in studying the topic because violence is often seen as a normal part of policing.

Opportunity Macmillan

First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

Deviant Behavior Rowman & Littlefield

Deviance and Social Control: A Sociological Perspective serves as a guide to students delving into the fascinating world of deviance for the first time, offering clear overviews of issues and perspectives in the field as well as introductions to classic and current academic literature.
