Are you are an aspiring, a
practicing or a struggling Real
Estate agent? When starting out as
an agent, there are many
challenges you come across. You
may have great ideas blowing up in

your mind but before long, you
realize that nothing has worked.
If you are at this stage, don't
worry, you are not alone. The main
reason why over 80 percent of the
beginner agents quit is that they
do not know how to differentiate
the REALITY from the REAL ESTATE.
I feel like I wasted my first 2
years as an agent. I did not make any
progress in my career. I made
unnecessary mistakes and my
personal and professional life was
full of struggles. I can't
remember how many times I felt
like quitting. But then I also
learned a few secrets that I want
to pass out to all aspiring and
beginner agents. My Name is
Chastin J. Miles and I'm an award-
winning and accomplished real
estate agent. I started off in
Dallas, TX and had to struggle
like most agents. Through the many
years of my career, I have managed
to turn things around and now I
sit among the best. I have won
over 10 awards in this short
period including being named Best
Real Estate Agent by D Magazine
and the 2018 Top Social Media
Expert Texas by Top Agent
Magazine. My work has been
featured in over 8 magazines and
even TV shows. I could go on and
on about my success but this is
not about me. This is about you
and what you need to break
through. The Real Before The
Estate is a book I wrote
specifically to help those trying
to scale up the ladder in the
industry. The Real Before The
Estate takes you away from the
theories you learn in school and
the ideas you have in your mind by
introducing you to the real world
of real estate. Think of this book
as the demo mode of Real Estate
world. This book gives you
practical knowledge and step by
step processes on how to get
started and actually succeed in
the real estate world. It took me
over six years of making mistakes,
interacting with industry leaders,
and making tough decisions to
acquire this knowledge. If I had
the knowledge I have now when I
started I would be very far in my
career. But I don't regret
anything; through years of
experience, I have managed to
reach the peak of my career. Now I
use my knowledge to mentor
upcoming agents. This is
everything you must know before
you get into the prosperous yet
tumultuous community of Real
Estate Agents.

Features of Performance Programs Company's New Jersey Real Estate License Exam Prep (NJ-RELEP): National Principles & Law Key Point Review (60 pages) Real Estate Math Key Formula Review & Practice (20 pages) New Jersey-Specific Laws and Practices (32 pages) National Practice Tests (500 questions) New Jersey Practice Tests (100 questions) New Jersey Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created New Jersey Real Estate License Exam Prep (NJ-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or

fails to work. NJ-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is New Jersey-specific – not just simplistic national content, but terse, relevant and accurate New Jersey laws and regulations presented as a well-organized set of state 'key point reviews' ideal for pre-test memorization. But let's not dismiss the importance of the national content either. NJ-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for New Jersey. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your New Jersey license exam. A word about the test questions... NJ-RELEP's testing practice section consists of ten national practice tests, six state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we

are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your New Jersey real estate exam. So good luck!! For students looking for a New Jersey textbook to complement New Jersey Real Estate License Exam Prep, we have Principles of Real Estate Practice in New Jersey.
