Naked Truth Macmillan

"SOMETIMES, IT IS NOT ENOUGH TO BE THE NEWS, SOMETMES, YOU HAVE TO MAKE THE NEWS AS WELL" - James Gordon Bennett, Jr. proprietor, New York Herald It is 1868 and spiritualist TENNESSEE CLAFLIN is smart, sexy and sometimes clairvoyant. But it is her sister, VICTORIA WOODHULL who is going to make history when she becomes the first woman to run for President of the United States. It starts with the seduction of the richest man in America. Next, they'll take New York City and the suffragist movement by storm, because together, Tennessee and Victoria are a force of Nature. Boldly ambitious, they stop at nothing, while they brush

shoulders with Harriet Beecher Stowe and Susan B. Anthony, using enough chutzpah to make a lady blush. That is, until their backstabbing family takes them to court. When their carefully spun lives unravel, out in public and in the Press, Tennessee and Victoria become the media's object of ridicule and they are pillioed with contempt. "Unsexed!" New York Herald, 1872 "Short haired women and long haired men," New York World, 1872 "Nothing more than a shameless prostitute and a Negro." The Guard, Eugene, Oregon, 1872 Told from shifting points of view and using actual news reportage from the era, Naked Truth gives a riveting inside look into the struggle for women's rights after the Civil War. Perfect for book clubs and fans of historical fiction. "The book is based on a true story, and Hayes writes with such care and authenticity, that the reader will likely be unsure where the history ends and the fiction begins."-KIRKUS REVIEWS

The primary focus of this book is our religious

Chastity, Lauren Winner speaks candidly to single Christians about the difficulty--and the importance--of sexual chastity. With candor and wit, she talks about her own sexual journey. Never dodging tough terms like "confession" and "sin," Lauren grounds her discussion of chastity first and foremost in Scripture.

Sugar Paraclete Press

Sex. Purity. Virginity. Love. Moral Revolution seeks to inspire a culture of love, honor and respect with people who walk in purity, passion and power. This intimate and honest book addresses the root causes of purity issues rather than merely communicating to the masses to "abstain from having sex." It will call you to a higher standard of living, imparting value for your heart and encouraging you to walk in all God has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again. Moral Revolution is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution!

Fat Sex Harper Collins

If there are two subjects that are universally fascinating and rife with controversy, they are sex and fat. Though our culture is obsessed with both, the two commingling are sometimes seen as offensive, obscene, or even grotesque. Fat people are not viewed as sexual beings. Of course, this perception is far from accurate. Fat people have normal and peculiar sex lives, just like everyone else. A compilation of true stories, cultural

references, and narrative commentary, *Fat Sex: The Naked Truth*, tells the honest, and often heroic, heartbreaking, and hilarious experiences of large-size women and men in their romantic, intimate, and sexual relationships. Subjects touched on include heterosexual relationships, gay men and lesbian women, those who have gained and lost a great deal of weight, and the sexual "underground" such as fetishes. Although the people portrayed in *Fat Sex: The Naked Truth* sometimes face bigotry and experience shame—they are often valiant and live remarkably fulfilling lives. The stories are compelling and told with sensitivity and wit, connecting people on profoundly important aspects of their lives. This book is not just for large-size people. The stories and issues discussed touch all of us, each and every person who has ever experienced the trials and tribulations, as well as the ecstasies, of intimate relationships.

Naked C. Scott Publishing

The author of "the Sexuality Forum" advice column shares dozens of stories covering dating, intercourse, voyeurism, lubricants, STDs, and sexual positions, among other topics. Original. 25,000 first printing.

Ageless Brazos Press

SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In *Real Sex*, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks

about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. *Real Sex* is essential reading for Christians grappling with chastity and a valuable tool for pastors.

Love, Lust & Faking It Unbound Publishing

"A formidable, addictive storyteller, Morgan provides a highly stimulating story of a midlife education in the messiness of modern sex and love. A steamy, liberating tale of self-exploration and self-love that encourages readers to 'revel in your sexuality' " —Kirkus Reviews Leslie Morgan, bestselling author of *Crazy Love* and *Mommy Wars*, was a mom turning fifty, reeling from divorce and determined to reclaim her life. In a radical break with convention, she dedicated a year to searching for five new lovers, seeking the rapture absent in a life of minivans and mom jeans—and finding a profound new sense of self-worth. When Leslie Morgan divorced after a twenty-year marriage, both her self-esteem and romantic optimism were shattered. She was determined to avoid the cliché of the "lonely, middle-aged divorcee"

lamenting her stretch marks and begging her kids to craft her online dating profile. Instead, Leslie celebrated her independence with an audacious plan: she would devote a year to seeking out five lovers in hopes of unearthing the erotic adventures and authentic connections long missing from her life. Clumsy and clueless at first, she overcame mortifying early missteps, buoyed by friends and blind faith. And so she found men at yoga class, the airport, and high school reunions—all without the torture of dating websites. Along the way she uncovered new truths about sex, aging, men, self-confidence, and what it means to be an older woman today. Packed with fearless, evocative details, *The Naked Truth* is a rare, unexpected, and wildly entertaining memoir about a soccer mom who rediscovers the magic of sexual and emotional connection, and the lasting gifts of reveling in your femininity at every age.

Naked Truth Black Barbee Entertainment

Identity, sadness, madness, are but only pebbles to the mountainous idea of what a human is, or supposed to be. And for Elise, that is likely an understatement in itself. Yet, why does she feel the way she feels; are there words to explain, any coming-of-age cliché that could summarize or give definition? What says Chicago, what says friends, what says parents, what says society, what says dreams, what

says nightmares, and what says Elise? Shall she give in to the darkest regions of her being in hopes a glimmer of light validates the ruins that eventually will become us all? Said ruins already hollow, chilling like trees in winter. And Elise, she is only trying to make sense of it all, if there is any sense that exist. If truly divinity and transcendence can be achieved what are the lengths, what can be shown--whom amongst us can be naked?

Doing It Harmony

The notorious pornographer and defender of the First Amendment rights, who is fed up with the current state of our government, shares his thoughts on a vast array of issues, including sex, the War on Terror, the Bush administration, religion, feminism, entrepreneurism, and privacy. Reprint. 25,000 first printing. The Naked Truth John Wiley & Sons
A young woman invites readers into her personal spiritual journey from Orthodox Judaism to Christianity in a powerful book about religion and identity.

The Naked Truth University of Texas Press

The surprisingly hopeful story of how a straight, nonpromiscuous, everyday girl contracted HIV and how she manages to stay upbeat, inspired, and more positive about life than ever before At nineteen years of age, Marvelyn Brown was lying in a stark white hospital bed at Tennessee Christian Medical Center, feeling hopeless. A former top track and basketball athlete, she was in the best shape of her life, but she was battling a sudden illness in the intensive care unit. Doctors had no idea what was going on. It never occurred to Brown that she might be HIV positive. Having unprotected sex

with her Prince Charming had set into swift motion a set of circumstances that not only landed her in the fight of her life, but also alienated her from her community. Rather than give up, however, Brown found a reason to fight and a reason to live. The Naked Truth is an inspirational memoir that shares how an everyday teen refused to give up on herself, even as others would forsake her. More, it's a cautionary tale that every parent, guidance counselor, and young adult should read. Sex on Campus G Street Chronicles The Naked Truth Isn't Always Pretty. A no-holds-barred look at the hilarious underbelly of what it means to be female, Dirty Girls lays bare the secrets of the fairer sex. Women don't come from a different planet than men. In fact, both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and, yes, disgusting creatures, and we shouldn't be ashamed of it. Dirty Girls exposes the filthy, lazy, fabulous truth that everything boys can do, girls can do better.

The Naked Truth Conari Press

The New York Times bestseller--never shy, frequently crude and always funny, Jenny McCarthy gives the lowdown on pregnancy in the grittiest girlfriend detail Revealing the naked truth about the tremendous joys, the excruciating pains, and the inevitable disfigurement that go along with pregnancy, Jenny McCarthy

tells you what you can really expect when you're expecting! From morning sickness and hormonal rage, to hemorrhoids, granny panties, pregnant sex, and the torture and sweet relief that is delivery, *Belly Laughs* is must-read comic relief for anyone who is pregnant, has ever been pregnant, is trying to get pregnant, or, indeed, has ever been born!

Real Sex Baker Books

The author of *Girl Meets God* speaks candidly about chastity in a sex-obsessed culture.

The Naked Truth about Hedonism II

Beaufort Books

From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. It was just a typical Monday. Until the big boss asked me to make the pitch for a prospective new client. After two years on shaky ground at work because of my screw up, an opportunity to impress the senior partners was just what I needed. Or so I thought... Until I walked into the conference room and collided with the man I was supposed to pitch. My coffee spilled, my files tumbled to the ground, and I almost lost my balance. And that was the good part of my day. Because the gorgeous man crouched down and looking at me like he wanted to eat me alive, was none other than my ex, Gray Westbrook. A man who I 'd only just begun to move on from. A man who my heart despised—yet my body obviously still had other ideas about. A man who was as charismatic and confident as he was sexy. Somehow, I managed to make it through my presentation ignoring his intense stare. Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done. But there was no way I was giving him

another chance, especially now that he was a client ...was there?
