SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In **Real Sex**, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her

discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. **Real Sex** is essential reading for Christians grappling with chastity and a valuable tool for pastors.

Jack is an FBI agent, a playboy, a man who is happy tasting the flavor of the month and not staying for breakfast. He's perfectly content with his life and has no interest in finding his happily ever after. So when he is attracted to Kennedy at his partner's wedding, he naturally takes the opportunity to seduce her. Now it's time to focus on the next good-looking woman who comes along, right? Ah, you don't always get what you expect. Kennedy was burned by her ex-husband—badly. She told everyone he cheated on her, because the truth—that he stole all of her money before disappearing out of her life—is

far more embarrassing. For the last three years she ' s struggled to pay off her debt, ignoring her libido and refusing to consider allowing another man to get close. A one-night stand with Jack is the perfect way to break her sexual fast—until she discovers that he ' s pouring her morning coffee and frying bacon. While Jack goes undercover at a male strip club, the two begin an affair that distracts him from his job and puts their hearts—and Kennedy ' s life—in danger. Now there ' s only one way Jack can stop this killer, and it involves making that declaration they both swore they didn ' t want. Sensuality Level: Sensual

The Bare Naked Truth Harper Collins

“A formidable, addictive storyteller, Morgan provides a highly stimulating story of a midlife education in the messiness of modern sex and love. A steamy, liberating tale of self-exploration and self-love that encourages readers to ‘revel in your sexuality’” —Kirkus Reviews Leslie Morgan, bestselling author of *Crazy Love* and *Mommy Wars*, was a mom turning fifty, reeling from divorce and determined to reclaim her life. In a radical break with convention, she dedicated a year to searching for five new lovers, seeking the rapture absent in a life of minivans and mom jeans—and finding a profound new sense of self-worth. When Leslie Morgan divorced after a twenty-year marriage, both her self-esteem and romantic optimism were shattered. She was determined to avoid the cliché of the “lonely, middle-aged divorcée” lamenting her stretch marks and begging her kids to craft her online dating profile. Instead, Leslie celebrated her independence with an audacious plan: she would devote a year to seeking out five lovers in hopes of unearthing the erotic adventures and authentic connections long missing from her life. Clumsy and clueless at first, she overcame mortifying early missteps, buoyed by friends and blind faith. And so she found men at yoga class, the airport, and high school reunions—all without the torture of dating websites. Along the way she uncovered new truths about sex, aging, men, self-confidence, and what it means to be an older woman today. Packed with fearless, evocative details, *The Naked Truth* is a rare, unexpected, and wildly entertaining memoir about a soccer mom who rediscovers the magic of sexual and emotional connection, and the lasting gifts of reveling in your femininity at every age.

Identity, sadness, madness, are but only pebbles to the mountainous idea of what a human is, or supposed to be. And for Elise, that is likely an understatement in itself. Yet, why does she feel the way she feels; are there words to explain, any coming-of-age cliché that could summarize or give definition? What says Chicago, what says friends, what says parents, what says society, what says dreams, what says nightmares, and what says Elise? Shall she give in to the darkest regions of her being in hopes a glimmer of light validates the ruins that eventually will become us all? Said ruins already hollow, chilling like trees in winter. And Elise, she is only trying to make sense of it all, if there is any sense that exist. If truly divinity and transcendence can be achieved what are the lengths, what can be shown--whom amongst us can be naked?

What Happens in Jamaica, Stays in Jamaica? Except in this tell-all, cheeky guide to the world's naughtiest resort, Hedonism II. Everyone returns from Hedonism II with at least one good story no one at home believes. Is Hedonism II a retirement home for worn-out swingers? Is it a testosterone tour-de-force with too few eligible single women to clamor over? Is it a cult that sucks away all your vacation time? Well, the last one might be true. Learn why Hedonism II has a 90% repeat guest rate--even though the facilities are tired, the food is mediocre, and the beach sand hurts your feet--if you are still standing after a week. The Hedo myths: Only young singles go to Hedonism II. People walk around naked everywhere. Open sex is rampant. Someone will try to steal your wife. Every myth has its truth...but Hedonism II is 50% couples--and most guests are over 30, full nudity is only allowed on one beach, the hotel does not condone public sex (but it happens), and your wife--well, that's her choice. But at Hedo you will see what you've never seen before. And you might do it too. Here are the truths and

tips that will make your vacation to Hedonism II the most fun trip you'll ever take--again and again. FYI: The resort Hedonism II did not authorize this book; the book includes the good, bad, and the ugly. Although the resort's owners tried to stop distribution of the 1st ed. of the book in federal court in 1998, the author enjoys Hedonism II as a vacation destination and continues to travel there regularly.

Is _____ok in the bedroom? If I ' m single, how far is too far? How do I get past my shame? Whether you are married or single, having great sex or no sex, your sexuality is inseparable from your spirituality. Sadly, most churches are silent on the subject. Dr. Juli Slattery is breaking the silence. In 25 Questions You're Afraid to Ask about Love, Sex, and Intimacy, she tackles the most common and critical questions women ask her about sexuality, like: What if I don ' t like sex? Can I be single and sexual? Is masturbation a sin? How do I make time to make love? What if I want sex more than my husband does? Candid, wise, and practically minded, Dr. Slattery addresses matters like sexual abuse, pornography, betrayal in marriage, intimacy in the bedroom, singleness, and more, calling women to think biblically about all areas of their sexuality. Find answers to your questions, liberation from your fears, and freedom to explore God's good gifts of love, sex, and intimacy.

Sex, Lies & Politics Real SexThe author of Girl Meets God speaks

candidly about chastity in a sex-obsessed culture.Real Sex From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. It was just a typical Monday. Until the big boss asked me to make the pitch for a prospective new client. After two years on shaky ground at work because of my screw up, an opportunity to impress the senior partners was just what I needed. Or so I thought... Until I walked into the conference room and collided with the man I was supposed to pitch. My coffee spilled, my files tumbled to the ground, and I almost lost my balance. And that was the good part of my day. Because the gorgeous man crouched down and looking at me like he wanted to eat me alive, was none other than my ex, Gray Westbrook. A man who I ' d only just begun to move on from. A man who my heart despised—yet my body obviously still had other ideas about. A man who was as charismatic and confident as he was sexy. Somehow, I managed to make it through my presentation ignoring his intense stare. Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done. But there was no way I was giving him another chance, especially now that he was a client ...was there? The Naked Truth Crimson Romance Winner ' s original Mudhouse Sabbath has sold 45,000 copies, been translated into three languages, and spawned a successful video study series. After her conversion from Orthodox Judaism to

Christianity, Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism. She here presents eleven Jewish practices that can transform the way Christians view the world and God, including attentive eating, mourning, candle-lighting, and Sabbath-keeping. Since first publishing the book, Lauren has earned her MDiv and PhD, and become an Episcopal priest. Her thought has deepened and developed. This new Study Edition incorporates the complete original text plus primary texts from Jewish and Christian sources, and new material on each of the eleven topics. The result is a powerful work for Christians wanting to explore in depth and understand the Jewish origins of Christianity. "At a time when we are so aware of the differences between Judaism and Christianity, Lauren Winner's book on what we can learn from each other is so refreshingly welcome." —Rabbi Harold Kushner, author of *When Bad Things Happen to Good People*

The primary focus of this book is our religious understanding of sex. It is the author's premise that the sexual attitudes of today were erroneously and maliciously set up by men whose ultimate aim was to control the sexual practices of the ancient Jews and the rights of women. Most controversial is our present view of homosexuality and how the Bible has thoroughly misshaped our ideas about homosexual love. The case is made that homosexuality is not a sin against God but rather a conspiracy conjured up by the machinations of the ancient Levitical priests. "It's high-time someone came along with a voice that speaks the truth about our 'Western' brainwashing without trying to proselytize to a particular brand of religion. Someone that doesn't skirt the issues because of denominational ties. I cannot be excommunicated, defrocked, or untenured! Neither am I bound by the Masonic sword. I speak freely! ...Many preachers merely parrot the party-line to keep their congregation in a religious coma, extracting thousands and millions of dollars to feed their ostentatious lifestyle. If you want to know the truth, here it is! Peep it and recognize!" -The Author

The Naked Truth Isn't Always Pretty. A no-holds-barred look at the hilarious underbelly of what it means to be female, *Dirty Girls* lays bare the secrets of the fairer sex. Women don't come from a different planet than men. In fact, both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and, yes, disgusting creatures, and we shouldn't be ashamed of it. *Dirty Girls* exposes the filthy, lazy, fabulous truth that everything boys

can do, girls can do better.

In this provocative book, Margaret Heffernan, former CEO and Fast Company contributor, fuses her own experience with that of hundreds of women to identify the biggest challenges and the best solutions that women face today. From VPs of Fortune 100 companies to entrepreneurs to women just starting their careers, she traces the patterns and themes underlying women's power, choices, love, sex, money, and many other vital topics for working women. Without sugar-coating the facts, preaching, or oversimplifying, she

offers solutions and shares the truth about the working world: women's choices are limited, you can't have it all, women do work differently from men and, yes, it is possible to find success amidst all of this and feel good about it. "Finally! A book that exposes the masculine myths about what it takes to be effective in business and helps women reclaim the relational intelligence we have been taught to ignore. A must-read for all women who want to increase their power and influence in the workplace—especially those who are thinking of leaving because they are tired of the corporate gamesmanship that requires splitting themselves into a 'work me' and a 'home me.'" —Joyce K. Meet the Real Danielle... You 've seen her on The Real Housewives of New Jersey, turning heads, raising eyebrows, and igniting feuds with her feisty suburban neighbors. Now, the always fascinating Danielle Staub gets real about her scandalous past in the year 's most explosive tell-all memoir. . . . When she signed on to appear in a reality TV show, Danielle had no idea what she was getting herself into. Hoping for a new lease on life after her recent divorce, the single mother of two became the target of vicious gossip, heated arguments, and endless controversy. When her housewife costars confronted her with the true crime book written about her ex-husband, the you-know-what hit the fan. Danielle knew she could no longer keep her checkered past a secret—and she had to set the record straight. This is the real Danielle Staub, in her own words, as you 've never seen her before. The child of an unmarried

Italian teenager, Danielle was born in Pennsylvania (under the name Beverly Merrill) after her mother was pressured by her well-to-do family to leave Italy and not return until after she 'd put her baby up for adoption. After years of sexual abuse, she fled to Miami, where she became a model, living the kind of lifestyle she could only dream of as a child. She partied like a rock star and with them as well, but ended up marrying a deceitful man who held dangerous secrets of his own. Soon Danielle was caught up in a tangled web of lies, drugs, and abuse that landed her in the hospital more than once. How she survived—leaving her husband, changing her name, and finally giving birth to two lovely daughters—is one shocking story you have to read to believe. If you thought *The Real Housewives of New Jersey* gave you the real story of Danielle Staub, you don ' t know the half of it. Filled with glamour and grit, heartbreak and heroism, this brave, no-holds-barred memoir reveals the naked truth behind reality TV ' s most talked-about star. “ You either love me or you hate me, there is no in between . ” —Danielle Staub

For the first time ever, one of the stars of the hit television show *The Real Housewives of New Jersey* tells her side of the story, including . . . • The truth behind *Cop Without a Badge*, the book that shocked the other housewives in the first season ' s explosive finale. • Her flashy, fast-paced life as a Miami model—and exotic dancer. • Her controversial arrest and time spent in prison. • Her wild hookups with famous celebrities, including an Olympian and a Miami Vice star. • Her abusive childhood, rocky marriages, stormy divorces—and her triumphant rise as one of television ' s most intriguing personalities. It ' s all here—and all real—in this straight-from-the-hip memoir from the *Real Housewife* who has all of New Jersey talking . . . and the whole world watching.

Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of *The Sexy Years*. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at

menopause. Now, in *Ageless*, Suzanne introduces an inspiring, medically validated approach to reversing the aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body's natural defenses against age-related diseases. Suzanne talks about:

- How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen our weakest glands and organs
- The dangers of perimenopause and how women can treat it
- Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one
- How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore health, energy, and sexuality, all through bioidentical HRT
- The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy

In this “antiaging bible,” Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in *Ageless* you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. *Ageless* shows you how to keep your “insides” young, and how this manifests on the outside.

The Naked Truth about Sex and Marriage Kensington Books
If there are two subjects that are

universally fascinating and rife with controversy, they are sex and fat. Though our culture is obsessed with both, the two commingling are sometimes seen as offensive, obscene, or even grotesque. Fat people are not viewed as sexual beings. Of course, this perception is far from accurate. Fat people have normal and peculiar sex lives, just like everyone else. A compilation of true stories, cultural references, and narrative commentary, *Fat Sex: The Naked Truth*, tells the honest, and often heroic, heartbreaking, and hilarious experiences of large-size women and men in their romantic, intimate, and sexual relationships. Subjects touched on include heterosexual relationships, gay men and lesbian women, those who have gained and lost a great deal of weight, and the sexual “underground” such as fetishes. Although the people portrayed in *Fat Sex: The Naked Truth* sometimes face bigotry and experience shame—they are often valiant and live remarkably fulfilling lives. The stories are compelling and told with sensitivity and wit, connecting people on profoundly important aspects of their lives. This book is not just for large-size people. The stories and issues discussed touch all of us, each and every person who has ever experienced the trials and tribulations, as well as the ecstasies, of intimate relationships.
