A Realidades McGraw-Hill Education *En Activo* is a contemporary course which provides students with a structured development of written and spoken business language skills, focusing on real business people and situations from all over the Spanish-speaking world. The

book consists of twenty chapters that incorporate contextual information on the business environment of Spain and Latin America, role-plays, illustrative dialogues, dedicated written exercises, relevant grammar instruction, practical communicative exercises, up-to-date practical advice, model items of written and spoken business protocol, and links to numerous carefully-selected and integrated websites. Each chapter is structured as follows: -Le Presento a...: introduction of the central individual and their working life -Escuche, por favor: extensive listening exercises and accompanying activities -Recuerde que...: grammar revision and communicative exercises -Para saber más: deepens knowledge about Spanish and Latin-American business culture and etiquette -Así se hace: hands-on section practising business situations and day-to-day tasks -¿Sabe navegar?: practices web research and web etiquette. Each fifth chapter is a revision chapter, which puts the acquired knowledge in practice via discussion groups, presentations and debates. The supporting website at www.enactivo.info features additional web and learning resources and exercises. An audio CD containing all interviews and

listening comprehension exercises is available separately. At the end of this course the student will have a sound knowledge of the Spanish speaking business world and the language skills required to put this knowledge in practice. The Parrot Tico Tango McGraw-Hill Education Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentaci ó n oral, or Presentaci ó n escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?

It's time for a new approach to learning Spanish verbs. Unlike popular verb guides that require the rote memorization of hundreds of verb forms, this book clearly explains the rules that govern the conjugation of all classes of Spanish verbs—especially the irregular ones that give second-language learners the most trouble. These simple, easy-to-understand rules for conjugating Spanish verbs are effective learning tools for both beginning students and more advanced speakers who want to perfect their usage of Spanish verb forms. *Spanish Verbs Made Simple(r)* has many helpful features that you won't find in any other verb guide: Clear explanations of all verb tenses and forms. The simple rules that govern the conjugation of all verbs—including the 90% of irregular verbs whose irregularities are entirely predictable. A

detailed discussion of how each verb form is used, with numerous examples. A full explanation of the distinction between *ser* and *estar*—the single most confusing element in the Spanish verbal system. An extended treatment of the subjunctive that will help you understand why it is used in some situations but not others. Conjugations for 35 model Spanish verbs and a comprehensive listing of 4,800 verbs that indicates which of the models each verb follows. Going well beyond any other guide in the clarity and detail of its explanations—as well as the innovative manner in which individual verbs are linked to model conjugations—Spanish Verbs Made Simple(r) is the only guide to Spanish verbs a learner needs.
