REALIDADES is

a Standards- based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's

Spanish students. Realidades Guided Practice Activities for Vocabulary and Grammar Level 3 Student Edition 2008c Wildside Press LLC Focusing on communication needs in real-world clinical situations, Dr. Pilar Ortega's updated edition of this practical text helps you address today's growing demand for Spanish-speaking physicians and healthcare workers. This pocket-sized resource provides basic Spanish skills, sample interview questions, relevant cultural information, and more, in addition to online videos of physician-patient interactions, interactive self-assessment tools, and clinical vignettes.

You'll find exactly what you need to develop better physician-patient communication skills, increase your cultural competence, and make better clinical decisions in your practice. Understand the nuts and bolts of better communication through Spanish grammar, vocabulary, pronunciation, sample interview questions, and helpful interview techniques. Pocket size allows for quick reference in an easily accessible format. Improve your skills with new and expanded content including more practice exercises for self-assessment, information on cultural issues, grammar tips and practice, complex clinical scenarios, and how to best use

interpreters in your practice. Stay up to date with new chapters on pediatric health; common procedures and informed consent; the physician's impression and plan; diabetes medication; travel history and special exposures; adult immunization history; exercise and adult health safety screening; and specialized physical examination. Gauge and hone your doctor-patient communication skills with interactive self-assessment tools and practice exercises. Watch video of real-time physician-patient exchanges (with English and Spanish subtitles), complete interactive practice exercises, and learn from clinical vignettes—all online at Student Consult. eBook

version included!

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary

system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
