comprehensive guide and workbook covers all those aspects of Spanish grammar that you might find a little intimidating or hard to remember. Practice Makes Perfect: Complete Spanish Grammar focuses on the practical aspects of Spanish as it's really spoken, so you are not bogged down by unnecessary technicalities. Each unit features crystal-clear explanations, numerous realistic examples, and dozens of engaging exercises in a variety of formats--including multiple choice, fill-in sentences and passages, sentence rewrites, and creative writing--perfect for whatever your learning style. Whenever possible, explanations include comparisons you to understand the basic logic behind the rules and to remember correct usage. This new edition includes: Time-saving vocabulary panels that eliminate having to look words up Advice on how to avoid common mistakes A detailed answer key for quick, easy progress checks Free online audio recordings of all the answers at [audiostudyplayer.com](http://audiostudyplayer.com) Offering a winning formula for getting a handle on Spanish grammar right away, Practice Makes Perfect: Complete Spanish Grammar your ultimate resource for learning to speak Spanish the way the native speakers do.

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of

study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've

---

learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

In this much needed resource, Maryellen Weimer-one of the nation's most highly regarded authorities on effective college teaching-offers a comprehensive work on the topic of learner-centered teaching in the college and university classroom. As the author explains, learner-centered teaching focuses attention on what the student is learning, how the student is learning, the conditions under which the student is learning, whether the student is retaining and applying the learning, and how current learning positions the student for future learning. To help educators accomplish the goals of learner-centered teaching, this important book presents the meaning, practice, and ramifications of the learner-centered approach, and how this approach transforms the college classroom environment. **Learner-Centered Teaching** shows how to tie teaching and curriculum to the process and objectives of learning rather than to the content delivery alone.

**All Access for the AP\* Spanish Language Exam - Completely Revised for the New 2014 Exam!** Book + Web + Mobile Everything you need to prepare for the Advanced Placement\* exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement\* exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the free online tools that come with it, will help you personalize your AP\* Spanish Language prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple

---

steps: targeted review of exam content, assessment of your knowledge, and focused study in the topics where you need the most help. Here's how it works: Review the Book: Study the topics tested on the AP\* Spanish Language exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with three topic level quizzes. Score reports from your free online quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with the book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan and truly focus on your weaknesses is to get frequent feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: our online audio component, quizzes, and two full-length practice tests. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board. Audio Component: Our audio component provides excellent preparation for the exam's listening comprehension section. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Full-Length Practice Tests: After you've finished reviewing the book, take our two full-length practice exams to test yourself under exam-day conditions. Available both in the book and online, these tests give you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exams for the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the tests, you'll be able to see exactly which AP\* Spanish Language topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. REA's All Access test prep is a must-have for

students taking the AP\* Spanish Language exam!
