Realidades 2 Savvas Learning Company
In this series of grammar books, much of the language is contextualised within dialogues, letters, articles, etc., encouraging students to consider meaning as well as form. Can be used as self-study material or as a basis for further practice in class or as homework. For advanced students.

Cross-Cultural Practice, Second Edition Carson-Dellosa Publishing

WINNER OF THE PULITZER PRIZE FOR FICTION NEW YORK TIMES TOP 10 BOOKS OF 2010 Jennifer Egan's spellbinding novel circles the lives of Bennie

Salazar, an ageing former punk rocker and record executive, and Sasha, the troubled young woman he employs. We first meet Sasha in her mid-thirties, on her therapist's couch in New York City, confronting her longstanding compulsion to steal. We meet Bennie at the melancholy nadir of his adult life - divorced, struggling to connect with his nine-year-old son, listening to a washed-up band in the basement of a suburban house. Although Bennie and Sasha never discover each other's pasts, the reader does, in intimate detail, along with the secret lives of a host of other characters whose paths intersect with theirs, over many years, in many places. With music pulsing on every page, this is a startling, exhilarating novel of self-destruction and redemption. Breathtaking work from one of our boldest writers.

'Irresistible. Fiction of the highest quality' Sunday Times
'Egan's precise, calm underwater prose is a persistent pleasure' Daily Telegraph
'Stories that defy narrative convention' Financial Times
'A must-read' Sunday Times

Leveled Vocabulary and Grammar Workbook: Guided Practice Prentice Hall

Cultural awareness in the helping professions is crucial to providing the best possible care. In this expanded new edition of Cross-Cultural Practice, the authors uniquely present factors common to diverse ethnic and cultural populations that are useful in building cross-cultural competence. Building on the existential concepts of Victor Frankl, the text provides a framework for helping families and individuals discover meaning and meaning opportunities in daily living. The book is organized into chapters dedicated to specific population profiles. New chapters give an overview of key concepts used throughout the book and summarize the authors' theoretical approach toward cross-cultural practice. Subject Guide to Books in Print
Savvas Learning Company

Taruka is the new girl at the high school in town. The story takes the reader through a year of high school that Taruka is not likely to forget. She makes friends and meets a boy, Cooper. Like Cooper and many of the students at the

school Taruka is very involved in sports, so she gets along with her new classmates well. But issues arise with her newfound friendship with Cooper when their differences are highlighted by the adults in their lives. This book is intended as a reader for students learning English. While the story has a plot similar to the classic story of Romeo and Juliet or Tony and Maria, the vocabulary and grammar are simple and comprehensible even for those just beginning with English.

Expresate! Prentice Hall

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

Bienvenidos Prentice Hall

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme

language test—communicating fluently with native speakers.

Advanced Expert Oxford University Press

After a lifetime of writing and editing prose, Jacques Barzun has set down his view of the best ways to improve one's style. His discussions of diction, syntax, tone, meaning, composition, and revision guide the reader through the technique of making the written word clear and agreeable to read. Exercises, model passages both literary and casual, and hundreds of

amusing examples of usage gone wrong show how to choose the right path to self-expression in forceful and distinctive words.
