The Journal of Educational Research Nelson Thornes

"Dr. Phelan's strategies have seen a resurgence in the parenting world. Maybe that's why you feel like everywhere you go, you keep overhearing other moms say to their misbehaving children, 'That's one. That's two. That's three.' And then you watch in disbelief as their kid actually stops!" — PopSugar Moms Are you the parent of a strong-willed child? Is bedtime a nightly battle? Are you looking to discipline without stress? Since kids don't come with a manual, 1-2-3 Magic is the next best thing. Dr. Thomas Phelan has developed a quick, simple and scientifically proven way to parent that actually works! Using his signature 1-2-3 counting method, Dr. Phelan helps parents to curb obnoxious behaviors like tantrums and meltdowns, whining and pouting, talking back, sibling rivalry and more in toddlers, preschoolers and middle schoolers. He guides parents through drama-free discipline methods that include handling time outs in public, the appropriate length of a time out, and what to do if your child resists the time out. Dr. Phelan also covers how to establish positive routines around bedtime, dinnertime, homework and getting up and out in the morning, and tips for strengthening your relationship with your kids. For decades, millions of parents from all over the world have used the award-winning 1-2-3 Magic technique to raise happier families and put the fun back into parenting. 1-2-3 Magic is one of Healthline's Best Parenting Books of 2017, a 2016 Mom's Choice Award Winner, a 2016 National Parenting Product Award Winner and a 2016 Family Choice Award Winner.

It's the revolutionary science study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace Science . . . takes readers from scientific investigation and the engineering design process to the Periodic Table; forces and motion; forms of energy; outer space and the solar system; to earth sciences, biology, body systems, ecology, and more.

The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

The Amigos Students' Book is fully Frameworked: it contains starters and plenaries on every spread and grammar and language strategies are explained in clear, concise language. Students are encouraged to discuss and reflect upon what they've learnt. Differentiated assessment is provided through the checklists with graded activities that are at the end of each unit in the Students' Book and the Copymasters. These can be used for self-assessment. There is also plenty of opportunity for independent study in the support and extension sections, reading section and grammar activities at the end of the spread, which are ideal for coverwork and homework. There is also a strong focus upon the vocational use of learning Spanish: each unit featuring a different character and a different vocation. There is an option to engage in vocationally-led project work in each unit, which Y9 students in particular will find motivating. This prepares them for the more work-orientated content of Key Stage 4 specifications.
