Coordination Group Publication  
Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning

students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary material. Explains English grammar points and provides drills especially for today's students. Offers sections on Latin metrics, includes numerous unaltered examples of ancient Latin prose and poetry, incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. Offers a comprehensive workbook that

provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.

Carson-Dellosa Publishing  
Follow the experiences of five young adults living in a youth hostel in Costa Rica. Students build listening skills and expand their vocabulary and grammar skills. Ideal for third year students 14 episodes average eight minutes in length Teacher materials provided online View Video Participant Workbook Carson-Dellosa Publishing The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates

strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable

---

gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde

provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.
