August 2012 MH nonfiction Rebel Cities: From the Right to the City to the Urban Revolution by David Harvey. With the contemporary art of rent and real-estate speculations on the constant rise and angry ecologists and activists worrying over the increasing urbanization of our planet, the urban space (or what it has remained of it) was and still is a precious tool that can be used by grassroots ...

Rebel Cities: From the Right to the City to the Urban ...

Rebel Cities places the city at the heart of both capital and class struggles, looking at locations ranging from Johannesburg to Mumbai, from New York City to São Paulo. Drawing on the Paris Commune as well as Occupy Wall Street and the London Riots, Harvey asks how cities might be reorganized in more socially just and ecologically sane ways—and how they become the focus for anti-capitalist resistance.
