Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

Recapture the Wonder Thomas Nelson

A poignant memoir of loss, and an inspirational guide to healing after a loved one's sudden death or suicide. When a loved one dies suddenly, at a young age, or by suicide, families and friends are often left in shock-riddled grief. This shock—and the stigmatized feelings that sometimes accompany such tragedies—can isolate the bereaved and stall their healing, even as they yearn to connect with others. *Abiding Light* is a four-generation testimony-rich resource for those grieving this kind of loss and for the communities that support them. It can be read alone or in a group, as it serves as a companion and fosters compassionate care and conversation through deep grief. Simply through reading the personal stories within *Abiding Light*, empathy and sympathy—given space and time—can seed courage and deeper connection through patience and conversation.

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. **SO WHAT does JESUS SAY?**

Who Made God? Zondervan

The way of the cross is still the pain-wracked path to spiritual power and fruitfulness. So do not seek to hide from it. Do not accept an easy way. Do not allow yourself to be patted to sleep in a comfortable church, void of power and barren of fruit. Do not paint the cross nor deck it with flowers. Take it for what it is, as it is, and you will find the rugged way to death and life. Let it slay you utterly. — A. W. Tozer, from “Coddled or Crucified?” in *The Radical Cross* In this collection of short essays, Tozer considers with piercing conviction the offense and power of the cross. May you venture unguarded into this book, that you might be utterly changed.

The Logic of God Zondervan

Deep within all of us is the longing to see our children achieve success in every area of life. This book stemmed from the love of the father for his children to embrace the deepest desires of our hearts and experience life as God intended it to be with meaning and purpose. Many people, including our children, suffer from depression, anger, and a feeling of being lost without a clear direction in life. This book helps to diagnose and offers the right medicine for both young and old in our society—people who lack self-discovery and may be disillusioned with life. This book is markedly distinct from others with many inclusions and end-chapter recaps for reflection and reference. One of the important differences is that the authors lived through many of the experiences and examples shared in the book. Comments from Readers After finishing the first chapter of this book, my life has been profoundly impacted. The wisdom and knowledge presented are explained so clearly that the techniques can easily be applied to your daily life. If you're seeking to break old habits and strongholds, your solution is right here. The advice in this book is truly special, as if it's directly from God himself. (Chadwick Davis, actor and movie producer) In the book, *Destined for Greatness*, the Ojugos combine the lessons learned in life marked by accomplishment in business, with Christian principles, and the teaching of some of the most-accomplished motivators in modern times. It is packed full of relevant scripture references, quotes by great theologians and authors, and covers a wide range of topics related to success and prosperity in life. (Michael Barnes, pastor, Community Church--Big Bear) In this thought-provoking book, the author encourages readers to find their life purpose while holding God's hand. A purpose that will enrich their own lives and the lives of anyone that comes in contact with them in any way. We are reminded that while finding one's purpose will be filled with obstacles, it is up to us to rise to the challenge with perseverance and determination. Qualities that will be fueled by God's word every step of the way. (Veronica Lopez, hotel executive leader) Excellent read with great guidelines on how to maneuver this winding road we call our own. My favorite part are the Bible excerpts that accompany the main text. One of the key concepts discussed are that it's never too late to find yourself in this life or to reinvent yourself! This really resonated with me as I am going through this right now, and I'm sure many others are too. (Jorge Medrano, sports agent, JD/MBA)

From New York Times bestselling author of *Seeking Allah, Finding Jesus* Nabeel Qureshi—a former Muslim—comes his deeply personal, challenging, and respectful answer book to the many questions surrounding jihad, the rise of ISIS, and Islamic terrorism. San Bernardino was the most lethal terror attack on American soil since 9/11, and it came on the heels of a coordinated assault on Paris. There is no question that innocents were slaughtered in the name of Allah and in the way of jihad (meaning warfare against the enemies of Islam, in this case). But do the terrorists' actions actually reflect the broader religion of Islam? The answer to this question is more pressing than ever, as many Muslim refugees are still migrating to the West, seeking shelter from the violent ideologies of ISIS, Al-Qaida, and other radical Islamic groups. Setting aside speculations and competing voices, Qureshi explores the answers to difficult questions like: What is Islam, and is it a religion of peace or violence? Is there a clear definition and doctrine of jihad? How are we to understand jihad and radical expressions of Islam in relation to our Muslim neighbors and friends? Why is there such a surge of Islamist terrorism in the world today, and how should we respond? How does jihad compare with Old Testament calls to warfare? In *Answering Jihad*, bestselling author Nabeel Qureshi answers these urgent questions from the perspective of a former Muslim who is deeply concerned for both his Muslim family and his American homeland.

The real face of atheism—whether disguised in Eastern mysticism or American cynicism—is despair. A witty and thought-provoking comparison of atheistic and Christian beliefs.

The End of Reason Thomas Nelson

In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of “tolerance,” our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. *Jesus Among Other Gods* provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. “In *Jesus Among Other Gods*, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition.” — David Aikman, author of *Great Souls*

Can Man Live Without God Multnomah

from Amy Carmichael ' s previously unpublished letters and writings of encouragement. Each is based on a verse or short passage from Scripture and will inspire you to deepen your walk with Christ.

The Narrow Road Zondervan

Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In *Jesus Among Secular Gods*, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.

Whispers of His Power Zondervan

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the *Conversations with Jesus* series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions--and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

National Institute of Marriage co-president gives help for couples to live out the fairy tale romance of their original hopes and dreams for marriage.

New Birth or Rebirth? Multnomah

In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results--a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.
