The Mother Goddess is the ultimate Matriarch. She knows you very well, even if you do not know her. She is the one taking good care of you always. Why did the Boer Nation lose its two independent states in 1902? How did this happen and who should be blamed? Satan used the name Jesus to draw all prayers to himself, thereby abusing our worship of Jesus. This is all upside down and hidden right in front of our faces, where we don't even see it. This is why the Goddess planned for tribulations to take place soon, so humanity can get our chance to fulfill our destiny. Otherwise, Satan/Lucifer and his friends will never stop

trouble making. Now is our only time to turn things right and grow into being multidimensional again, so there can be no more lying to us. We Boers want our two Republics returned to us right now, where we can live freely and govern ourselves. Thanks to the Goddess, who will make all this happen as prophesized. Satan and his friends will have no chance, because the Goddess is on our side.

The 1973 oil crisis forced the American automotive industry into a period of dramatic change, marked by stiff foreign competition, tougher product regulations and suddenly altered consumer demand.

With gas prices soaring and the economy in a veritable tailspin, muscle cars and the massive

"need-for-speed" engines of the late '60s were out, and fuel efficient compacts were in. By 1980, American manufacturers were churning out some of the most feature laden, yet smallest and most fuel efficient cars they had ever built. This exhaustive reference work details every model from each of the major American manufacturers from model years 1973 through 1980, including various "captive imports" (e.g. Dodge's Colt, built by Mitsubishi.) Within each model year, it reports on each manufacturer's significant news and details every model offered: its specifications, powertrain offerings, prices, standard features, major options, and production figures, among other facts. The work is heavily illustrated with approximately 1,300 photographs.
