tattoos. Can I trust him? Can I trust myself? Or will obeying his wicked words confirm all my worst suspicions? DAVID So sweet, so pure, so confused... I almost feel bad about claiming her. Almost. Too bad she's a Rossini, and I don't regret making her old man sign her over to me for one second. I was born a Strelkov, a killer and an outlaw, and I second guess nothing. The instant my hands are on her, I know I've made the right choice. The crazy ache in my lips when they're not on hers doesn't lie. Revenge is a dish best served hot, sweaty, seething with passion, and Anna's tonight's special. Yeah, she's gonna flip when I shove the wedding contract in her face. But I'm gonna make her my wife in every nasty, beautiful, permanent way I can, even if it means adding a few more scars to my skin and Anna's heart... Ace of Hearts Usama Ahmed True power is never held by good men, only the most perfect

of villains. And she and I are both villains... I stole her, and she's so very angry. The cartel princess doesn't like being a pretty little pawn. She fights me when she should fear me. But oh, how her defiance excites me. She would kill me if she could, and I'd ruin her if I had an ounce less control. What a twisted game we play with sweet threats and cruel promises. I crave her madness in the most depraved ways because I know she'll be so beautiful when she bleeds. A queen who could set the world on fire and a king who would call it rain. Two very bad people who want very bad things are never safe together. Some love stories have no heroes.

Condemned to Love

I was born a monster.

Cruelty ran in my veins like poison. It ran in the veins of every Vitiello man, passed on from father to son, an endless spiral of monstrosity. A born monster shaped into an even worse monster by my father's blade and fists and harsh words. I was raised to become Capo, to rule without mercy, to dish out brutality without a second thought. Raised to break others. When Aria was given to me in marriage, everyone waited with baited breath to see how fast I'd break her like my father broke his women. How I'd crush her innocence and kindness with the force of my cruelty. Breaking her would have taken little effort. It came naturally to me. I was gladly the monster everyone feared. Until her. Author's note: Bound By Honor in Luca's POV.

Pity, in the end, I would have to kill her. *Mafia Romance*
