boss and ruthless killer. I've
never met a woman who could
hold my attention longer than
it took to satisfy my c**k.

Until Dahlia Fury. She alone is different. She walked into my world, the way a lamb strays into the path of a wolf, completely defenseless. She made me hard the moment our eyes locked. I had to have her. But I never imagined taking her would be like popping a powerful drug. One I'd crave over and over. The heat between us is blazing, like nothing I've experienced before, and every time I see her I want to devour her inch by inch. I defined the terms of our arrangement (one month), but each time I brand her, like a damned addict I need another fix ... - Dahlia 'You can do it. It's just a simple Swedish massage, ' my friend pleaded. I should have listened to my inner voice. I shouldn't have gone, but I didn't, and ended up in a room alone with the epitome of an Alpha male, a sexy powerful Mafia boss with eyes cold enough to freeze my blood. He took hold of my body in the most shockingly possessive way. He made me lose control. I ran from him as if all the devils in hell were hot on my heels, but he never left my mind. Then, something unthinkable happens and the cold-hearted predator is the only one who can help. He agrees to help, but ... nothing

is for free. Now I roam around his London mansion waiting for him to summon me, touch me, arouse me, and satisfy me. The way only my Russian Man Beast can...

Picture this: You enter the mall with your friends, and as you're making your way to buy a delicious strawberry smoothie, you notice a guy walking towards you. Not just any guy, but a model worthy guy. As he comes closer, he gives you a heart stopping smirk, then takes you by surprise. He pulls you into a headlock, jabs a gun in your temple, then runs away with you. Now some girls would be too traumatized to even talk back or look at their kidnapper. Then there's me, tackling, punching, hugging, and singing Justin Bieber with my kidnapper. Call me reckless, but something about this kidnapper is very intriguing and I find myself growing closer to him as I start to uncover more about this mysterious model. Find out if I, Skylar Scowbar, end up dead in a ditch somewhere or end up helplessly falling in love with this broken, dangerous, yet sweet kidnapper.

I am Luca, the black sheep of the Lupu clan. Cat, the woman I want, happens to be my brother's fiancée. I will do anything to make her mine. Consequences bedamned. Luca As the second son, I scoff at the antiquated rules and traditions of my clan. When my family needs to make an arranged marriage with a rival clan, the next in line to wed the spoiled princess is me. I'll be damned if I'm led to the slaughter like some sacrificial lamb. Let my younger brother, the family lapdog, do the deed. The man is a soulless bastard, anyway. But the moment I set eyes on the precious princess at my brother's engagement party, I regret my decision. Knees buckling, I almost topple to the floor. Holy hell, but she's beautiful. Sultry and innocent, she's a lethal combination the likes of which

I've never seen before. If only she wasn't already pledged to my brother. Cat My family loves me but I'm merely a pawn in the shifting chess game between the Lupu clan and mine. As the good, obedient daughter to the boss of the Popescu family, I do what I am told. And that is to marry the youngest brother, a ruthless mafia prince with a reputation for cruelty. It's the least I can do to make up for the grief I've caused my family over the years. At my engagement party, I'm introduced to my fiancé's older brother, Luca. A man with cold gray eyes that makes my skin sizzle with desire. The same man who already rejected me as his fiancée. I should hate him for it. Instead, the more time I'm forced to spend in his presence, the less I can remember that he was never meant to be mine. Content Notes: The Recluse Heir can be read as a standalone novel.
