Which engine oil is best for your car?

I have a 1996 Mitsubishi Magna TF Advance and it started making a tapping noise whenever I start the car. When I checked the oil, it's dry and I just serviced it 4 months ago and that included a change oil. My question is what oil is best to use for a car with an old engine? It's a V6 by the way. I appreciate any brands as well. Thanks in advance.
