Law and Facts on Patents and Inventions CRC Press

East Greenbush By: Bernard Lewis Rottschaefer, M.D. Bernard Lewis Rottschaefer, M.D. is the author of ANAK and East Greenbush. East Greenbush exudes teenage angst coupled with the coming of age during the late Eisenhower era when 'no' meant no but also mean yes when accompanied by pelvic elevation. The free spirit of 'Easy Rider' leaps from the pages of East Greenbush. A serious maiming crime unbound by the statute of limitations happening five decades before his death haunts Jimmy throughout this love saga of his life. Serious moral issues remembered as the touchstones of Jimmy's life are individually depicted often raging war with Jimmy's religious underpinning. Suddenly Ancestry DNA shatters unsuspected lifelong secrets that Jimmy must

address as he struggles to minimize damage to his family. Amy, a friendly provocative Victorian ghost providing both physical and mental support, adds brief insight into Victorian sexual mores while resurrecting Jimmy from the abyss of progressive mental and physical decline. A 1949 Ford convertible and a 1936 Indian motorcycle and a reconstructed Harley Davidson serve to bind much of East Greenbush together. East Greenbush, Pittsburgh and Holland, Michigan provide the backdrops for East Greenbush while adding flavorful color. East Greenbush provides nostalgia for baby boomers, focus for Generation X and charming instruction for the Millennials and Generation Z served up in a lively fast flowing format.

Patterns of Policy CRC Press

A member of a climbing team that tried to take the summit of Everest in May 1996 shares the gripping true story of what happened when another climbing group was overcome by snow, wind, and lack of oxygen. 25,000 first printing. Tour.

Why Great Leaders Don't Take Yes for an Answer Mountaineers Books
Make better decisions! Michael A. Roberto will help you achieve deeper consensus, get past groupthink and "yes men," and achieve superior results in every decision you make -- especially your most complex and highest-stakes decisions! Roberto's Why Great Leaders Don't Take Yes for an Answer, Second Edition gives you a powerful framework for promoting honest, constructive dissent and skepticism; test your assumptions; more thoroughly and fairly considering "best alternatives"; crisply coming to closure; and aligning your entire organization behind the decision you make. In this new edition, Roberto presents new cases from Google, Ford, and Intuit, and expands coverage to

more deeply illuminate his decision-making approach. Offering both positive and negative examples, he presents a well rounded view of how to determine when 'yes' means 'yes', when it doesn't, and what to do when it doesn't. Throughout, Roberto demonstrates why "good process entails the astute management of the social, political and emotional aspects of decision making" -- in other words, why effective leaders are well served by carefully "deciding how to decide." You'll learn how to: Test and probe what your team really believes, and get the truth and candor you really need Encourage constructive objections -- and keep them constructive Improve team management, mitigate risk, identify opportunities, and promote integrity Build stronger commitment amongst the people who'll implement your decisions
