The Life and Death is a Hardmode Healer spell and radiant weapon that has a chance to be dropped by the Moon Lord. It shoots out four projectiles in a spread; the two outer yellow projectiles heal allies, and the two inner purple projectiles damage enemies and inflict them with the Shadowflame debuff. The projectiles can ricochet infinitely before dissipating after 3 seconds and home in on ...

The Granite Boom Box is a craftable Pre-Hardmode Bard weapon. It causes the player to be surrounded by a blue energy ring, which persists for 10 seconds and automatically and rapidly releases small, instantaneous blue energy beams towards nearby enemies. These projectiles deal damage and inflict the Granite Surge debuff, dealing damage over time and lowering defense. When used, it empowers ...

The patterns that exist between math, language, and music have prompted numerous studies to be commissioned to establish their inter- relationship. We all know that music is a series of notes that are played in accordance to a pattern and maths too works in a similar way. In maths to result always remains finite despite the various ways in which you can add, multiply, subtract, and divide numbers.
