A new "green" series!: Little Green Books will educate children on what they can do to be more eco-friendly. The books in this line will be made from recycled materials, and the storylines will cover subjects such as improving the environment, learning about endangered animals, recycling, and much more. Meet Max the Little Monster. He is a cute, furry green monster who is an environmental nightmare. Among other things, he leaves on all the lights, keeps his computer plugged in, blasts the TV, hoards his old toys and uses so much toilet paper it clogs the toilet until finally, his excessive ways cause a power outage. With no TV to watch, computer

to play on, video games to play with, Max finds there is a whole big world outside that he can make a difference in the environment. Kids can follow Max the Little Green Monster's journey to environmental awareness and learn tips on how they can become little green monsters themselves. A kid-friendly glossary of terms is included in the back of the book. This 8x8 paperback is perfect bound and will be printed on 100% post-consumer waste recycled paper with soy-ink. The paper is FSC certified.

Your Space Level 3 Cambridge University Press

Fundraising for Libraries

CHANGDER OUTLINE

For more than a century, sporting spectacles, media coverage, and popular audiences have staged athletics in black and white. Commercial, media, and academic accounts have routinely erased, excluded, ignored, and otherwise made absent the Asian American presence in sport. This book seeks to redress this pattern of neglect, presenting a comprehensive perspective on the history and significance of Asian American athletes, coaches, and teams in North America. The contributors interrogate the sociocultural contexts in which Asian

Americans lived and played, detailing the articulations of power and possibility, difference and identity, representation and remembrance that have shaped the means and meanings of Asian Americans playing sport in North America. This volume will be of interest to students and scholars of the Asian American experience, ethnic relations, and the history of sport.

Gone Tomorrow Penguin

You 're Never Too Young to Fight Censorship! In Ban This Book by Alan Gratz, a fourth grader fights back when From the Mixed-Up Files of Mrs. Basil E. Frankweiler by E. L. Konigsburg is challenged by a well-meaning parent and taken off the shelves of her school library. Amy Anne is shy and soft-spoken, but don 't mess with her when it comes to her favorite book in the whole world. Amy Anne and her lieutenants wage a battle for the books that will make you laugh and pump your fists as they start a secret banned books locker library, make up ridiculous reasons to ban every single book in the library to make a point, and take a stand against censorship. Ban This Book is a stirring defense against censorship that 's perfect for middle grade readers. Let kids know that they can make a difference in their schools, communities, and lives!

" Readers, librarians, and all those books that have drawn a challenge have a brand new

hero.... Stand up and cheer, book lovers. This one 's for you." —Kathi Appelt, author of the Newbery Honor-winning The Underneath

" Ban This Book is absolutely brilliant and belongs on the shelves of every library in the multiverse. " —Lauren

Myracle, author of the bestselling Internet Girls series, the most challenged books of 2009 and 2011 " Quick paced and with clear, easy-to-read prose, this is a book poised for wide readership and classroom use. " —Booklist "A stout defense of the right to read."

—Kirkus Reviews " Gratz delivers a book lover 's book that speaks volumes about kids ' power to effect change at a grassroots level."

—Publishers Weekly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

" A galvanizing expos é " of America 's trash problem from

plastic in the ocean to “wasteful packaging, bogus recycling, and flawed landfills and incinerators” (Booklist, starred review). Eat a take-out meal, buy a pair of shoes, or read a newspaper, and you’re soon faced with a bewildering amount of garbage. The United States is the planet’s number-one producer of trash. Each American throws out 4.5 pounds daily. But garbage is also a global problem. Today, the Pacific Ocean contains six times more plastic waste than zooplankton. How did we end up with this much rubbish, and where does it all go? Journalist and filmmaker Heather Rogers answers these questions by taking readers on a grisly and fascinating tour through the underworld of garbage. *Gone Tomorrow* excavates the history of rubbish handling from the nineteenth century to the present, pinpointing the roots of today’s waste-addicted society. With a “lively authorial voice,” Rogers draws connections between modern industrial production, consumer culture, and our throwaway lifestyle (New York Press). She also investigates the politics of recycling and the export of trash to poor countries, while offering a potent argument for change. “A clear-thinking and peppery writer, Rogers presents a galvanizing exposé of how we became the planet’s trash monsters. . . . [*Gone Tomorrow*] details everything that is wrong with today’s wasteful packaging, bogus recycling, and flawed landfills and incinerators. . . . Rogers exhibits black-belt precision.” —Booklist, starred review
