In Red Card, Ken Bensinger explores the case, and the personalities behind it, in vivid detail. There's Chuck Blazer, a high-living soccer dad who ascended to the highest ranks of the sport while creaming millions from its coffers; Jack Warner, a Trinidadian

soccer official whose lust for power was matched only by his boundless greed; and the sport's most powerful man, FIFA president Sepp Blatter, who held on to his position at any cost even as soccer rotted from the inside out.

Bensinger's Red Card has everything you could want in a book about scandal: moneyed power brokers who take from poor and give to the rich, strong lawmen and women who strive to right the wrongs, and a satisfying take-down in the end. This book provides a strong vote of confidence for the FBI and law enforcement everywhere.
