How Bad Are Bananas? Minotaur Books
The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette

has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the Shatter Me series!

Benji and the 24 Pound Banana Squash Random House Australia
Having reluctantly moved to New England only to see her marriage end in infidelity, successful metal sculptor Melanie is compelled to

attend her high-school reunion and fantasizes about reconnecting with an old flame.

Three Plays - Absurd Person Singular, Absent Friends, Bedroom Farce Houghton Mifflin Harcourt

At the beginning of her college sophomore year in 1994, Sabella Pierce surrenders to her semester-long psych class assignment: volunteer as a companion for eighty-three-year-old nursing-home resident, May. Having grown up with a bitter grandmother and a well-earned

lack of enthusiasm for old people, Sabella dreads this project. But Sabella's anxiety about her assignment turns to fascination as she discovers May's vibrant spirit, life of independence, and stash of handwritten letters from the one who got away. Now Sabella is inspired to create a project of her own: reunite these two long-lost lovers while there's still time. While visiting, Sabella also encounters Ted, the nursing home's grungy, flannel-wearing, alternative-rock listening volunteer coordinator. At first, she detests his nonconformist attitude and his constant ribbing of her wealthy upbringing. But as her longtime boyfriend, Ryan, is distracted by his jock friends and a flirty girl from his hometown, opportunities with Ted unfold. Will the project spark love for Sabella and relight an old flame for May?

We Are Bananas Grand Central Publishing

New York Times Editors' Choice, One of NPR's Best Books of the Year In this "infinitely readable" biography, award-winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era: Madonna (People Magazine) With her arrival on the music scene in the early 1980s, Madonna generated nothing short of an explosion—as great as that of Elvis or the Beatles—taking the nation by storm with her liberated politics and breathtaking talent. Within two years of her 1983 debut album, a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge, and opened a department called "Madonna-land." But Madonna was more than just a pop star. Everywhere, fans gravitated to her as an emblem of a new age, one in which feminism could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS, she brought queer identities into the mainstream, fiercely defending a person's right to love whomever—and be whoever—they wanted. Despite fierce criticism, she never separated her music from her political activism. And, as an artist, she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's story from her Michigan roots to her rise to

super-stardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time.

Throwing a chic dinner party and creating a luxuriously cozy living space Packing and traveling like a jet-setter Enjoying every day, living it up in style.

A Monstrous Regiment of Women Grand Central Publishing

Winner of the Nero Wolfe Award It is 1921 and Mary Russell--Sherlock Holmes's brilliant apprentice, now an Oxford graduate with a degree in theology--is on the verge of acquiring a sizable inheritance. Independent at last, with a passion for divinity and detective work, her most baffling mystery may now involve Holmes and the burgeoning of a deeper affection between herself and the retired detective. Russell's attentions turn to the New Temple of God and its leader, Margery Childe, a charismatic suffragette and a mystic, whose draw on the young theology scholar is irresistible. But when four bluestockings from the Temple turn up dead shortly after changing their wills, could sins of a capital nature be afoot? Holmes and Russell investigate, as their partnership takes a surprising turn in *A Monstrous Regiment of Women* by Laurie R. King.

To the End of the World Abacus

"From highly dramatic, large-scale installations to serene pairings where a single stem and complementary vase indicate a complete idea, the book provides a wealth of fresh images ripe for

contemplation." --Booklist In this stunning book, renowned Thai floral artist Sakul Intakul combines colorful tropical flowers, exotic foliage and other unusual design materials in refreshingly original floral displays suitable for any occasion.

Photographed in the spectacular, contemporary homes of Thailand's leading artists, designers and professionals, the simple but imaginative floral displays evoke the essence of modern Asian style. This refreshingly original book goes beyond the everyday--elevating tropical flowers from mere floral arrangements to meditative floral "art installations" that serve as dramatic design centerpieces in contemporary tropical homes. Created from a combination of exotic and colorful tropical flowers, plant materials--fibers and leaves from the banana and coconut, twigs from the bamboo--and other less orthodox materials like wire netting, the arrangements harmoniously blend a strong, usually three-dimensional structure with the sweet and subtle elements of flowers. Allow *Tropical Colors* to inspire you and your space!

The Other Side of Someday Palazzo Editions

The field of art therapy is discovering that artistic expression can be a powerful means of personal transformation and emotional and spiritual healing. In this book, Shaun McNiff, a leader in expressive arts therapy for more than three decades, reflects on a wide spectrum of activities aimed at

reviving art's traditional healing function. In chapters ranging from "Liberating Creativity" and "The Practice of Creativity in the Workplace" to "From Shamanism to Art Therapy," he illuminates some of the most progressive views in the rapidly expanding field of art therapy:

- The "practice of imagination" as a powerful force for transformation
- A challenge to literal-minded psychological interpretations of artworks ("black colors indicate depression") and the principle that even disturbing images have inherent healing properties
- The role of the therapist in promoting an environment conducive to free expression and therapeutic energies
- The healing effects of group work, with people creating alongside one another and interacting in the studio
- "Total expression," combining arts such as movement, storytelling, and drumming with painting and drawing

Spiral of Need Abrams

One last chance. One wild weekend. Flat out the funniest book of the year. "Paul Rudnick makes me lie hysterical on the floor, screeching with laughter and sobbing with fury that I can't write the way he

does." -- E. Lockhart, author of *We Were Liars* and *The Disreputable History of Frankie Landau-Banks* My name is Caitlin and up until forty-eight hours ago I had never: Tasted alcohol, kissed a boy, sang in public at the top of my lungs, kidnapped anyone or -- WHAT? STOLEN A CONVERTIBLE? Now I'm in jail and I have no idea what I'm going to tell: The police, my parents, the mayor, all of those camera crews and everyone on Twitter. I have just noticed that: My nose is pierced and I have--WAIT? IS THAT A TATTOO? I blame one person for this entire insane weekend: My famous cousin. Who is also my former best friend. Who I have HATED for the past four years. Who I miss like crazy. NO I DON'T!!!! IT'S ALL YOUR FAULT, HELLER HARRIGAN!!!!

Art Heals Shambhala Publications

The British comedian recounts the highs and lows of his wild years: "A gifted writer with a perfect sense of comic timing and anecdote-spinning . . . Lots of fun." —Kirkus Reviews By his early thirties, Stephen Fry—writer, comedian, star of stage and screen—had, as they say, "made it." Much loved on British

television, author of a critically acclaimed and bestselling first novel, with a glamorous and glittering cast of friends, he had more work than was perhaps good for him. As the '80s drew to a close, he began to burn the candle at both ends. Writing and recording by day, and haunting a never-ending series of celebrity parties, drinking dens, and poker games by night, he was a high functioning addict. He was so busy, so distracted by the high life, that he could hardly see the inevitable, headlong tumble that must surely follow . . . Filled with raw, electric extracts from his diaries of the time, *More Fool Me* is a brilliant, eloquent account by a man driven to create and to entertain—revealing a side to him he has long kept hidden. "Fry is an astonishingly charming fellow: erudite, playful and capable of writing in a style so intimate that readers can picture themselves sitting next to him at a splendid dinner party as he rather one-sidedly entertains the entire table." —Slate Present Indicative Atria/Keywords Press 'What is remarkable about Alan Ayckbourn's comedy is that it contrives to be simultaneously hilarious and harrowing. Literally, it is agonisingly funny' Daily Telegraph In *Three Plays* Ayckbourn's perfectly pitched dialogue slices into the

soul of suburbia. The settings are simple - a kitchen, a bedroom, a party - but the relationships between the husbands and wives are more complicated. Fraught relationships are exposed with humour, bathos and a sharp understanding of human nature.

After Andy Penguin

"I was photographed naked on a cushion very early in life, an insane, toothless smile slitting my face and pleats of fat overlapping me like an ill-fitting overcoat. Later, at the age of two, I was photographed again. This time in a lace dress, leaning against a garden roller and laughing hysterically. If these photographs can be found they will adorn this book."

Thus begins the life story of one of the most celebrated characters in British theatrical history, in the first of Coward's autobiographies, first published in 1937. Displaying an early dedication to the theatre, *Present Indicative* hints at the success that would come to Coward as actor, playwright, novelist and performer. Each line is punctuated with his trademark effervescent wit, making this book a comic tour de force in its own right, as well as a

"must read" for anyone with an interest in the British stage. "He is simply a phenomenon, and one that is unlikely to occur ever again in theatre history" Terence Rattigan

Grace Penguin

INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK Their lives began together, but their worlds couldn't be more different. After thirty years of missed connections, they're about to meet again... Minnie Cooper knows two things with certainty: that her New Year's birthday is unlucky, and that it's all because of Quinn Hamilton, a man she's never met. Their mothers gave birth to them at the same hospital just after midnight on New Year's Day, but Quinn was given the cash prize for being the first baby born in London in 1990--and the name Minnie was meant to have, as well. With luck like that, it's no wonder each of her birthdays has been more of a disaster than the one before. When Minnie unexpectedly runs into Quinn at a New Year's party on their mutual thirtieth birthday, she sees only more evidence that fortune has continued

to favor him. The gorgeous, charming business owner truly seems to have it all--while Minnie's on the brink of losing her pie-making company and her home. But if Quinn and Minnie are from different worlds, why do they keep bumping into each other? And why is it that each fraught encounter leaves them both wanting more? A moving, joyful love story, *This Time Next Year* explores the way fate leads us to the people we least expect--no matter what the odds.

Red Carpets and Other Banana Skins Little, Brown

Ally Marshall is a wolf shifter-- and a Seer. But a girl doesn't exactly need special powers to know that Derren Hudson despises her entire kind. But in this case, his disdain is mixed with a healthy dose of desire. And no matter how much the ruggedly handsome male appeals to her, this is one call of the wild she's determined to ignore. When Derren is forced into acting as her protector, he finds himself intensely and passionately drawn to the woman who incites his primal instinct to claim. And when enemies target the pack, Ally's gift may be just what the Mercury Pack needs....

Who Is Michael Ovitz? Random House

Rupert Everett has spent his life surrounded by

extraordinary people, and witnessed extraordinary events. He was in Moscow during the fall of communism, in Berlin the night the wall came down, and in downtown Manhattan on 9/11. His memoir swoops the British upper classes to the madness of Hollywood.

Style A to Zoe Harper Collins

Rupert Everett's first memoir - *Red Carpets and Other Banana Skins* - was an international bestseller and an instant classic on publication in 2006. Reviewers compared him to Evelyn Waugh, David Niven, Noel Coward and Lord Byron. But Rupert Everett is - of course - one of a kind. Mischievous, touching and nothing less than brilliant, this new memoir is filled with stories, from childhood to the present. Astonishing encounters; tragedy and comedy; vivid portraits of friends and rivals; razor-sharp observations of the celebrity circus from LA to London and beyond... there is something extraordinary on every page. A pilgrimage to Lourdes with his father is both hilarious and moving. A misguided step into reality TV goes horribly wrong. From New York to Moscow to Berlin to Phnom Penh, *Vanished Years* takes the reader on a wild and wonderful new journey with a

charming (and rather disreputable) companion.

The Regent Penguin

British actor Rupert Everett charmed his way into moviegoers' affections with his scene-stealing performance in "My Best Friend's Wedding." Everett is also the gifted writer of this scathingly funny novel of a down-and-out actor's zany misadventures amid a wildly colorful menagerie of madcap trendsetters. Fame is a fleeting thing, as ex-soap opera star Rhys Waveral discovers. When he loses all his money in the stock market and no new acting jobs are forthcoming, eviction from his elegant hotel suite looms large. Stripped of all his assets, Rhys realizes he has only one thing left to sell: himself. And a pair of jet-setting dowagers couldn't be more thrilled. From staid English country houses to flamboyant Parisian nightclubs and an outrageous costume ball in Tangiers, Rupert Everett spins a raucous and irresistible modern farce.

The Sunken Road Chronicle Books

'Ciarán McMenemy confirms his exceptional talent with this admirably powerful and authentic novel about the First World War and the struggle for Irish independence. Tremendous! William Boyd Longlisted for the Walter Scott Prize for Historical Fiction Annie, Francie and Archie were inseparable growing up, but in 1914 the boys are seduced by the drama of the Great War. Before

leaving their small Irish village for the trenches, Francie promises his true love Annie that he will bring her little brother home safe. Six years later Francie is on the run, a wanted man in the Irish war of Independence. He needs Annie's help to escape safely across the border, but that means confronting the truth about why Archie never came back.... For readers of Sebastian Faulks, Ian McEwan and Sebastian Barry

It's All Your Fault Penguin

One day, Milo wakes up and realises he's forgotten something very, VERY important. It's his friend Mia's birthday and he hasn't got her a gift! Milo searches high and low, but will he find the perfect present?

The Hairdressers of St. Tropez Reed Books Canada

From the rising-star designer and author of the hit blog, *Elements of Style*, a full-color, fully illustrated book packed with honest advice, inspiration, ideas, and lessons learned about designing a home that reflects your personality and style. *Elements of Style* is a uniquely personal and practical decorating guide that shows how designing a home can be an outlet of personal expression and an exercise in self-discovery. Drawing on her ten years of experience in the interior design industry, Erin combines honest design advice and gorgeous professional photographs and illustrations with personal essays about the lessons she has

learned while designing her own home and her own life—the first being: none of our homes or lives is perfect. Like a funny best friend, she reveals the disasters she confronted in her own kitchen renovation, her struggles with anorexia, her epic fight with her husband over a Lucite table, and her secrets for starting a successful blog. Organized by rooms in the house, *Elements of Style* invites readers into Erin's own home as well as homes she has designed for clients. Fresh, modern, and colorful, it is brimming with glamour and style as well as advice on practical matters from choosing kitchen counter materials to dressing a bed with pillows, picking a sofa, and decorating a nursery without cartoon characters. You'll also find a charming foreword by Erin's husband, Andrew, and an extensive Resource and Shopping Guide that provides an indispensable roadmap for anyone embarking on their first serious home decorating adventure. With Erin's help, you can finally make your house your home.
