Wow! I am reading your book The Art of Voice Acting, and I want you to know it was worth way more than the cover price! The insights into the business, the A-B-Cs... it's all incredibly helpful. I was told by a producer in Vancouver, B.C., to get your book, he called it "The Voiceover Bible." He was so right! Gord Brooks Voice Services (Canada) Thank you for such a wonderful book! Your sense of humor is delightful, the content is superbly detailed and your encouragement throughout is greatly appreciated. I wanted to let you know just how first-rate I think The Art of Voice Acting is. I have taken two (2) Master classes in the past year-and-a-half but I got more practical information in just the first few chapters of your book than from the seminars. Thank you again for sharing your

expertise. Daria M. Dutzmann, voice actor Just a note of thanks for your excellent book *The Art of Voice Acting*. I had the opportunity to do some radio spots today---and for the first time, started to touch on "voice acting" instead of "voice over." This really made a difference in my read---and the director was delighted! Eric Funk, President, Entertainment on Hold, Inc. I have been a successful voice over for about 10 years and recently bought and read *The Art of Voice Acting*. I must have been guided to do it! It was like receiving a (gentle) kick in my behind, spurring me to get reorganized, regalvanized, newly inspired because---to say the truth---I was sitting on my laurels doing very little to perfect my skills or bring new life to my career. Now I feel full of new energy. This is what I call an inspired purchase!" Fuel: An Ecocritical History is the first book to chart our changing attitudes to fuel and energy through the literature and culture of the modern era, focusing on the 18th-century to the present. Reading a wide range of writers from Blake, Austen and Dickens to Upton Sinclair and Edward Abbey, Heidi Scott explores how our move from a pre-industrial reliance on biomass and elemental energy sources to our current dependence on the fossil fuels of coal, oil and natural gas have fundamentally shaped human identity and culture. The book's Anthropocene perspective reshapes our view of energy history and climate change, and *Fuel* looks forward to ways in which we can reimagine our culture away from the fossil fuel paradigm towards a more sustainable energy future driven by renewable, elemental energy.

Obsession is a red-hot, white-knuckle joyride of dangerous glamour and delicious revenge. Jackie Collins meets Martina Cole in this latest offering from the King of the Bonkbuster. It's gritty and it's glorious and I adored it.' Victoria Fox 'Nigel's fourth bonkbuster brilliantly fills the void left by Jackie Collins. A racy tale full of intrigue and innuendo, it's glamorous and shocking in equal measure.' His latest adventure was heavy on the suspense, the drama, the danger and the uber-descriptive bedroom scenes. Just may need a tall glass of cold water to cool down before moving on to the next book.' Fluff Smut and Murder 'I couldn't wait to read this one to see if it lived up to his previous books. Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man's seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both. **Ignite** Psychology Press How does this story of intense gangbang group sex sound to you? **Dancing for the Diamonds (Taking on Four Men) A Stripper Gangbang Erotica Story** by Scarlett Stevens Cherry isn't particularly thrilled with her career as a stripper, but on the other hand, she's not too opposed to making the tips. Kate's Compassion The Rough Stripper Gangbang by Sandra Strike Kate's obsession with strippers has reached a head, and now she's practically stalking Elektra, the stripper who had an affair with Kate's husband and ended Kate's marriage. The Cuckold Gangbang (Every Hole Filled, and My Husband Had to Watch!) A Rough Wife Gangbang Story with

Double Penetration by Andi Allyn My husband desperately wanted me to cuckold him. We were nowhere near letting that happen but we loved the fantasy and we even played around a little bit. That was why I had him tied to a chair, and that was why the male strippers were dancing for me. It was a thrill for him and it was as far as I was willing to go. Except then I just started sucking cock! I didn't plan for it. It just kind of happened, and once I started the strippers were more than willing to give me a hell of a lot more than I'd bargained for. It was a really rough gangbang filled with rough sex, rough deepthroat, and even my first anal sex! I had three cocks inside of me at once! It was crazy and my husband got to watch it all. 4. The Stripper Gets Gangbanged! (And the Bachelor Party Gets Every Hole!) A Rough and Reluctant Group Sex Erotica Story by Andrea Tuppens I don't know why I let the groom go farther than he was supposed to but I guess I was a bit turned on so I let him touch me and grope me and even participated in the pretty definite overstepping of my boundaries. I should have thought about it, though, because everyone else thought they could get in on the game and before I knew it I was right in the middle of a rough gangbang complete with my very first anal sex and rough double penetration! 5. The Stripper's Ass A First Anal Sex Gangbang Story by Nichelle Hill Tara isn't too happy about the thought of all that Victoria has arranged, but the bachelor party needs two strippers and one of them has to be a blonde. She's really uncomfortable that the act

involves bondage and a ball gag, but two thousand dollars is two thousand dollars, right? If that means she has to be restrained while Victoria touches her and teases her in front of the men, well that's just a big payday. Of course, she has no idea Victoria isn't being completely honest with her. She'll find out, though when all of the partiers take a turn at her untouched ass! Threesome with My Best Friend and a Stranger (In a Dressing Room for Heaven's Sake!)...An FFM Ménage a Trois in Public by Francine Forthright My friend and I were just hanging around catching rays at the water park when she made an offhand comment about becoming lesbian so she wouldn't have to deal with men anymore. It would have just been a joke if the hot stranger hadn't shown up. It still wouldn't have led to anything if she hadn't been stunned by his good looks. It probably wouldn't have involved me if she hadn't grabbed my wrist and pulled me along with him to the dressing room. It still wouldn't... oh who the hell am I kidding? I had my first lesbian sex and a ménage a trois, and I did it all out in public! 4. Tied Down and Taken...A Very Rough Anal Sex Fantasy by Casey Strackner She enjoyed the calm of her bedroom, her safe haven; but the calm has ended.
