The rich black soil the Egyptians prized so highly gives life to the ephemeral things that survive for one season; the sterile desert sand has preserved not only stone but such frail objects as textiles and papyrus and human flesh. Ancient Egypt was the product of both Black Land and Red Land, though its people called it Kemet, the Black.

Red Land Black Daily Life

Red Land, Black Land is a chatty description of Daily Life in Ancient Egypt including such topics as: food, clothes, housing, jewelry, art, culture, language, architecture, technology, religion, medicine, writing and of course ... temples, tombs, hieroglyphs and mummies. Mertz is evidently fairly well known as a

mystery writer, but she also has a PhD in Egyptology that I suspect she wanted to put to use by writing this book.
