SEAL Team Six: Hunt the Scorpion

Simon and Schuster

Marine officer. CIA analyst.

President. Jack Ryan has devoted his life to protecting the United States. What if this time, he can't? President Ryan and the Campus return in this entry in Tom Clancy's #1 New York Times-bestselling series. Freedom may have finally arrived in Iran. As protests break out across the country, the media rejoices over the so-called Persian Spring. Western leaders are ecstatic. Members of Congress and the Cabinet clamor to back the rebels. Only President Jack Ryan remains wary. Meanwhile, he has plenty to handle at home. A deadly strain of flu is ravaging the United States as spring floods decimate the Southeast. An unethical senator wants to bring down the Ryan presidency and is willing to lean on fabricated bot-planted stories to do it. But the scariest story is the most closely guarded one. Two Russian nuclear missiles have been hijacked. The Campus gets their first break when Jack Junior connects with a rogue Russian intelligence officer in Afghanistan--only to be abducted soon after arriving. John Clark and the rest of the Campus team race to track the missiles and rescue their colleague. As sensationalized stories spin out of control and the stolen missiles remain out of reach, President Ryan's toughest challenge emerges: How do you meet an enemy head on, when he won't even show you his face?

In this electrifying #1 New York

Times bestselling thriller from Tom Clancy, a silent war between the USA and Russia will decide the fate of the world--and Jack Ryan is behind enemy lines. Two men possess vital data on Russia's Star Wars missile defense system. One of them is CARDINAL--America's highest agent in the Kremlin--and he's about to be terminated by the KGB. The other is the one American who can save CARDINAL and lead the world to the brink of peace...or war.

Cauldron W. W. Norton & Company

The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them--victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an

action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

On the Move! Penguin

NEW YORK TIMES BESTSELLER • Red Rising hit the ground running and wasted no time becoming a sensation. Golden Son continues the stunning saga of Darrow, a rebel forged by tragedy, battling to lead his oppressed

people to freedom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, BUZZFEED, AND BOOKLIST • "Gripping . . . On virtually every level, this is a sequel that hates sequels—a perfect fit for a hero who already defies the tropes. [Grade:] A"—Entertainment Weekly As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow's kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind's destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo's principles of love and justice to free his people.

He must live for more. Praise for Golden Son "Stirring . . . Comparisons to The Hunger Games and Game of Thrones series are inevitable, for this tale has elements of both."—Kirkus Reviews "Brown writes layered, flawed characters . . . but plot is his most breathtaking strength. . . . Every action seems to flow into the next."—NPR Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE

The Cardinal of the Kremlin Henry Holt and Company

Racing from the remote, war-scarred landscapes of the Middle East to the blood-soaked chaos of the U.S.-Mexico border, #1 New York Times bestselling author Tom Clancy delivers a heart-stopping thriller that is frighteningly close to reality. Working behind the scenes for the CIA, ex-Navy SEAL Maxwell Moore arrives at a rendezvous to take charge of a high-ranking Taliban captive and barely escapes with his life. Undaunted, Moore is relentless in his quest to find the terrorist cell responsible, but what he discovers leads him to a much darker conspiracy in an unexpected part of the globe... After years of planning, the Taliban have come to terms with a vicious Mexican drug cartel and agreed to supply

them with opium. For the cartel, the deal means money, power, and ultimate control of the drug trade. But for the Taliban, it is a long awaited opportunity: to exploit the cartels and bring the fire of the jihad to the hearts of the infidels, striking against the very heart of America.
