The Story of Redemption Ignatius Press
The Bible contains a sweeping story, but it's all too easy to lose sight of the forest for the trees. Whether it's the dimensions of Noah's ark or the regulations for sacrifices in the temple, sometimes we miss the big picture when sifting through all the important details contained in

Scripture. Helping readers discover the overarching narrative that binds the Bible together, this book highlights 16 key verses that stand as "turning points" in the biblical story line, enabling us to see God's incredible plan to redeem his people from Genesis to Revelation. Whether it's the creation of humanity, the establishment of the covenants, or the coming of the Messiah, this book will help Christians see how God's Word tells a single story about his sovereignty, glory, and grace.

Often we make a mess of our lives and

wonder if there is any redemption. In this six-week study, pastor and author Tom Berlin helps us see our mess through the eyes of Christ to find redemption and restoration. Using Scripture, devotional tools, and the writings of Ignatius of Loyola, John of the Cross, St. Augustine, John Wesley, Evelyn Underhill, and others, Berlin encourages reflection and meditation through our own brokenness. Only then can we focus on the cross as the place where we truly surrender control, leave our mess, and find redemption. The Leader Guide contains everything needed to guide a group through the 6-week study for Lent, including session plans and discussion questions, as well as multiple format options.

This title is part of the History of Redemption series which includes: Book 1: The Genesis Genealogies Book 2: The Covenant of the Tourn Book 3: The Unquenchable Lamp of the Covenant Book 4: God's Profound and Mysterious Providence Book 5: The Promise of the Eternal Covenant

In this book Raymund Schwager surveys the church's christological tradition and proposes an understanding of Jesus that is informed by a conversation with the great theologians and leaders of the past and influenced by two

contemporary pioneers in Christian thought: Hans Urs von Balthasar, known for his "theodramatic" approach, and Rene Girard, widely recognized for his mimetic scapegoat theory. The result is both a convincing scholarly picture of Jesus in relation to his Jewish historical context and to the beginnings of the Christian community and a coherent message of Jesus as God's word of salvation to humankind.

"The life and ministry of Manny Mill is another evidence that a reformed vision of God's sovereign grace ignites radical, risk-taking ministries of mercy, not passive fatalism. May his story set ten thousand captives free—including those who have never been in prison." — John Piper, founder, Desiring God Ministries -----

----- “I could have been dead so many times. I always spent more money than I had, I was always in over my head, and I was always involved in too many things at one time...Everything I did was with me in mind.” — Manny Mill Descending into a life of debauchery, Manny Mill found himself teetering on the edge of personal and financial disaster. In this candid and vividly personal book, Manny tells how His pursuit of pleasure led him to the depths of human despair. A declared fugitive of the law, he was running from the FBI when he ran into Christ and a life of radical redemption. Manny’s experiences will thrill you. His faith will inspire you. And his words will challenge you to think about your life, your relationship with the God of the universe,

and your own need for a radical redemption. Restored Leader Guide Tyndale House Publishers, Inc.

David Kelsey offers a groundbreaking discussion of Christian redemption by exploring the story of a series of horrendous events that befell a young boy and his family. Sam, eight years old, was stricken with a puzzling virus that left him physically and psychologically damaged. His family suffered greatly, as well. In the face of these events, Kelsey asks, what can it possibly mean to say that in Jesus Christ, God "redeems" such situations and events?

Recovering Redemption Abingdon Press
Every Christian is a redeemed person. This means that we were brought out from being in bondage to the devil. Satan cannot legally oppress a believer with his evil works. We were once in bondage, but now we are free. We were once in the kingdom of darkness, but we are now in the Kingdom of light. Our redemption is a present-tense reality. It is not as though we are hoping to be redeemed from satan's dominion sometime in the future. The price has already been paid for. We have been set free. Here and now as we journey through this life-we can enjoy the benefits of the redemption we have in Christ. When the

enemy attempts to come against us with his works-sinful bondages. sicknesses, lack, oppositions and so on-we can proclaim our redemption and resist the works of darkness, for we are the redeemed of the Lord! In the 1960's, Fr. Hans Urs von Balthasar gave two conferences in Paris on the subject of redemption. One considered the perspective of Christ the Redeemer. The other gave a view of the redemption from the perspective of Mary and the Church, consenting to the sacrifice of Jesus. These two conferences are what Fr. Jacques Servais, S.J., in his foreword calls "a lantern of the Word," shedding light amidst the advancing turmoil of the postconciliar period. These conferences were later collected by the eminent theologian Henri Cardinal de Lubac, S.J., in a single volume along with an anthology of meditations on the Passion by the

mystic Adrienne von Speyr, and selected by von Balthasar. In this new edition, prepared for the centenary of the birth of Hans Urs von Balthasar, Fr. Servais, the director of Casa Balthasar in Rome, provides an extensive postscript illuminating the text along with the original preface by de Lubac.

A fundamental part of understanding one's ancestors is knowing when they were born, how long they lived, and when they died. Here in *The Genesis Genealogies* lies that crucial core information about the forebears of Christianity. Rev. Abraham Park has meticulously analyzed the information in *The Book of Genesis*. Taking the explicit date references in *Genesis* and performing math calculations forward and backward in time, he builds a

complete chronological Biblical timeline from Adam to the Exodus, including the duration of construction of Noah's ark. With this Bible study of the cornerstone text of The Old Testament, we can more deeply understand the layers of meanings that Genesis offers. When we think about our salvation in most cases, we will focus on God's gracious and undeserved goodness toward us. Though salvation flows from the grace of God, thereby making it free to all who put their trust in Jesus, free does not mean that our salvation is cheap or without great cost to God Himself. This book, *The High Cost of a Free Gift*, takes a very Christocentric look at the gracious provision of salvation. This book focuses on all that it cost our Savior in order that He might be our perfect and eternal sacrifice for sin. By looking at the Christology of our salvation, this book encourages a greater appreciation for all that the Son of God

endured in order that we might be saved. From His preincarnate glory to His descent into the grave, our Savior paid a high price in order that we might receive the free gift of salvation. This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation. We will take a deeper look at the following topics: - "Jesus's Glorious Preincarnate Existence" - "The Meaning and Necessity of His Humiliation" - "The Virgin Birth and Incarnation of Jesus" - "Kenosis: The Self-Emptying of Jesus" - "His Temptations and Rejections" - "His Illegal Trials" - His Sacrificial Atoning Death" - "His Burial and Descent to Hades" - "The Implications of His Humiliation" Ultimately, from this reading, we learn that the Son of God's love for man was so deep

that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it. Our greater appreciation for the high cost that Jesus paid to save us should cause us, as believers, to appreciate, admire, and adore Him all the more and greatly value the free gift to which He paid such a high cost.
