Redirect: The Surprising New Science of Psychological ...

Book Review-Redirect: The Surprising New Science of Psychological Change. September 3, 2012 / in Adoption and Change, Book Review, Professional / by Robert Bogue. One of the sad things about having read a few books at this point is that I can't always recall what put me on to the book in the first place. While I can't remember where I picked up on Redirect, it's a book that took a winding path that challenged what I "knew" about psychology.
