Allie Thrash Wren Prize is the asshole who got me pregnant seven years ago. And gave me a false name. And walked out of the hotel without a backward glance. Sure, I know I wanted to have sex just as much as he did, but I didn't want to be tossed aside like garbage the second it was done. I also wasn't planning to get pregnant. Now, after seven years of hating the jerk, I'm living in his city, because it's a small world and I

found him by accident. Yes, I realize how crazy that must sound, but my luck is just that bad. The problem is, the Wren Prize of today is not the Wren Prize I've envisioned castrating all this time. And I hate that I can't hate him the way he deserves to be hated. In fact, I'm terrified I might just be stupid enough to be falling for him. Wren Prize A daughter. I have a daughter. And I've missed over six years of her life because I decided to go for the world's biggest jerk award. I'm supposed to be the cool-headed one, the mature one, the one everyone goes to for advice. Yet I'm the one who fucked up the most. Sadly, I don't even remember that night. Too much fun, too much sun, and way too much booze. It's hard to ask for a second chance when you don't even remember the

first chance you had. And every time I'm around Allie, even when she's casting me glares that prove she wants me dead, I can't help but wonder what that night was like. Well, what it was like before I ruined her. The Routledge Handbook of Reenactment Studies CreateSpace

"This book was an all bases loaded grand slam!!!"
—Reader review It might be a fake date, but what if he 's not faking it? Loner Cole North has always been the odd guy out. His IQ is sky-high, but he 's not so bright when it comes to people or relationships. Years ago, he spurned expectations, shunned his family 's business, and embraced a career in construction instead. Now he values his job above everything, in part because of his secret feelings for his boss, Sierra. While he could never be right for her personally, he endeavors to be exactly what she needs

professionally. Remodeler Sierra Lowell might be creative, hardworking, and a color-outside-the-lines thinker in her job, but there 's one line she 's never crossed. It 's tough enough to be a woman in a man 's job without adding sex or emotions to the mix. Smart, sexy Cole is without question her right-hand man, but the lines get blurred when Sierra's life is complicated with a wedding date crisis and the television opportunity of a lifetime. Cole impulsively steps up to be her go-to guy for both. When their fake date is interrupted by a family emergency, having Sierra at his side makes him realize there 's a fine line between alone and lonely and that maybe he 's ready for less of both. Can he find a way to go from being a right-hand man to the right man for her? True North is a stand-alone story with a HEA in the North Brothers series, a spin-off of the Hale Street series. The Emergence of Ceramic Roof Tiles

in Archaic Greek Architecture Paul Zante
The third novel in USA Today
bestselling author Penelope Bloom's
Anyone But... series sizzles with a sexy
and hilarious story about letting go of
the past to chase the love of a lifetime.
Seven years ago, I swore I'd never date
Nick King. Ever. Now I'm supposed to
work under him--and no, despite the
way he glares like he wants to strip me
bare, I mean he'll be my boss. But what
better way to prove I'm really over him,
right? I was a nerdy overachiever in
high school, and Nick was my hopeless
crush. I even laminated a note he
passed to me; granted, I had a thing for
laminators, but that's beside the point.
Now, my only shot at getting my life

back on track is to crawl to him on my
knees and pray I nail the interview.
Maybe I should pray that's the only thing
that gets nailed in his office--especially
since he looks like he wants to devour
me. Nick broke my heart once. But hey,
I'm still pretty handy with a laminator.
Maybe I could run my heart through one
before I take this job.

When the new girl in town, Eliza "Izzy"
Forrester decides to hit the local
drinking hole, she's not ready to meet
the town's good, solid guy. She's
definitely not prepared to engage in her
very first hookup with him. Then Izzy
wakes up the next morning in Johnny
Gamble's bed and good girl Izzy finds

she likes being bad for Johnny. Even so, Izzy feels Johnny holding her at arm's length. But Johnny makes it clear he wants more and Izzy already knows she wants as much of hot-in-bed, sweet-out-of-it Johnny Gamble. Floating on air thinking this is going somewhere, Izzy quickly learns why Johnny holds distant. He's in love with someone else. Someone who left him and did it leaving him broken. Whoever was up next would be runner up, second best. Knowing the stakes, Izzy will take what she can get from the gentleman that's Johnny Gamble. And even knowing his heart might never mend, Johnny can't seem to stay away from Izzy. Until out of nowhere, his lost love comes back to town. He's not going back, but Johnny still knows the right thing to do is let Izzy go. And Izzy knew the stakes, so she makes it easy and slips through his fingers. But that's before Johnny realizes Eliza moved to town to escape danger that's been swirling around her. And that's why Johnny decides to wade in. That and the fact Eliza Forrester makes breakfast with a canary singing on her shoulder and fills out tight dresses in a way Johnny Gamble cannot get out of his head.

Named a Best Book of the Year by New York Magazine and The Progressive "A deeply honest and brave portrait of an individual sensibility reckoning with her country's violent role in the world." —Hisham Matar, *The New York Times Book Review*

In the wake of the September 11 attacks and the U.S.-led invasion of Iraq, Suzy Hansen, who grew up in an insular conservative town in New Jersey, was enjoying early success as a journalist for a high-profile New York newspaper. Increasingly, though, the disconnect between the chaos of world events and the response at home took on pressing urgency for her. Seeking to understand the Muslim world that had been reduced to scaremongering headlines, she moved to Istanbul. Hansen arrived in Istanbul with

romantic ideas about a mythical city perched between East and West, and with a naïve sense of the Islamic world beyond. Over the course of her many years of living in Turkey and traveling in Greece, Egypt, Afghanistan, and Iran, she learned a great deal about these countries and their cultures and histories and politics. But the greatest, most unsettling surprise would be what she learned about her own country—and herself, an American abroad in the era of American decline. It would take leaving her home to discover what she came to think of as the two Americas: the country and its people, and the experience of American power around the world. She came to understand that anti-Americanism is not a violent pathology. It is, Hansen writes, "a broken heart . . . A one-hundred-

year-old relationship.” Blending memoir, journalism, and history, and deeply attuned to the voices of those she met on her travels, *Notes on a Foreign Country* is a moving reflection on America’s place in the world. It is a powerful journey of self-discovery and revelation—a profound reckoning with what it means to be American in a moment of grave national and global turmoil.

He's sexy, flirty, down-and-dirty trouble. I entertain naked people for a living. No, not THAT kind of entertainment. I own a nudist resort. I'm not a nudist, but Val Silva is. And he's a human supernova sleeping in the room next door. The man is tall, gorgeous, tattooed, and a shameless exhibitionist. As the Brazilian bad boy of the international football world, he's as famous for his sextape as for his talent on the field. Oh, did I mention he walks around naked ALL

the time? A girl only has so much willpower. Maybe we can have a little fun... as long as his tabloid past doesn't mess with my quiet life. Eve Holt is the sexiest woman I've ever seen, in those short-shorts and tank tops that make me wonder what she's hiding underneath. Most women love my wild side, but Eve thinks I'm trouble with a capital T. Okay, she might have a point there. But I always get what I want, and I want her. I didn't lead my team to Olympic gold by giving up. That's one fact about me Eve is about to learn. *Natural Passion* is the first book in the *Au Naturel Trilogy* of romantic comedies from Anna Durand, the bestselling author of the *Hot Scots* series.
