From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football

practice, show up at parties he's rumored to be at, and basically stalk him around campus. It's a little nauseating. Don't these girls have any self-respect when it comes to a hot guy? Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night

dinner with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. The one guy I'd like to steer clear of is the very same one I can't seem to get away from. But what if Rowan isn't the manwhore I pegged him to be? What if one little secret has the capability to change everything between us? *This is a mature New Adult novel with strong language and sexual situations intended for readers over

If it's not broke don't fix it. That was Cash's motto and his life was perfect. He was a lieutenant of The Last Riders, a motorcycle gang, and had women at his beck and call. The only thing he could see himself settling down with was a twelve pack - certainly not Rachel Porter who was on his short list of women to avoid.

Evin"Be careful, man. Don't be seduced by the bright lights of the city. Even the strongest of men find their weakness."When Jackson spouted his advice, I laughed at the thought. A man in my position doesn't have weaknesses. Or so I think. The night I meet Poppy Malone, everything changes. The breathtaking bohemian is an irresistible temptation I never saw coming. One night is all it takes for her to seal our fate. She's convinced the odds aren't in our favor. I'll enjoy proving her wrong--again and again. I've never backed down from a challenge. When someone from her past reappears,

delivering the ultimate betrayal, the stakes grow higher. No matter what happens, I'm all in. Poppy"Dance to your Destiny."The day I heard those words, my path was set. Walking away from a world of wealth and privilege, I danced my way to my dreams and independence. Performing in Vegas is everything I ever wanted. Or so I think. A twist of fate brings Evin Graham into my life. One earth-shattering kiss rocks my perfectly crafted world. Devastatingly sexy, rich, commanding--Evin and I are polar opposites in every way. He dresses in custom-tailored suits. I wear flowers in my hair. He's an obsessively controlled business mogul. I'm a

"Never lose yourself while trying to hold on to someone who doesn't care about losing you." Advice I heard over the years while acquaintances had gone through breakups and divorce, but I never thought I'd one day be applying it to myself. The past decade spent being the perfect

stay-at-home mom and doting housewife, I never pictured my husband coming home from work one night and admitting to having an affair. But without him and my place at home, who am I? With no college or work experience to speak of, what will I do? Step One: Call in reinforcements-my sister Mia. Step Two: Find a job to support me and my three little girls. Step Three: Start finding myself again. "The fastest way to get over someone is to

get under someone else." More advice I side-eyed over the years. My ex is the only man I've ever been with. The thought of being with someone else is both terrifying and... exciting. But that man should most definitely, a hundred percent certainly not be my savior, my real-life hero, my boss who took a chance on me at my all-time low. Rebounds are bad news. Everyone knows that. The Ground Rules Season Publishing LLC Alexis Sky Martine thinks of herself as the average girl-next-door who does what she has to do to get by, have fun and enjoy life. She is madly in love with her sexy, drop-your-panties-at-first-sight, hottie boyfriend who is equally in love with her; more like downright obsessed. He treats her like she is his heart;

like he needs her to exist; like he would do anything in his power to make her happy. Lexi knows Landyn James loves her just as much as she loves him, if not more. Deep down, she also knows high school sweethearts aren't expected to last, but their relationship is different. They are soul mates. Their connection is unbreakable. What could possibly go wrong when you have love like that? Everything. What will the future hold? Only time will tell.

Secret Love
Fire Quill Publishers
Guarding a secret and playing with fire has never been a good combination. Four years ago, Holly Scallenger embarked on the most difficult journey of her life. As if being a single parent isn't already stressful enough, Holly also attended med-school, in hopes of helping other pregnant women in a way she wasn't helped. But things don't look so good as she has to embark

on a new journey - a journey that would take her back to Boston, back to the man who broke her heart and discarded her and her babies. Sworn to never fall for him again, Holy is put to the test once more when a chance encounter reunites them. *Secret Love* is the second novel in the 4Ever series by Isabella White
